

Workshop: Developing a Discipleship Process for Your Church

As United Methodists, our mission is “To make disciples of Jesus Christ for the transformation of the world.”

There is not a whole lot of debate over whether or not that should be our mission. The struggle often comes, however, in figuring out how to actually do that in our local churches.

This 3-hour workshop will provide some tools and approaches to help you and your church discern and design an effective process for making disciples in your local setting.

The workshop will be held at Madison United Methodist Church on Thursday, November 21, from 10:00 AM - 1:00 PM. Participants will receive .25 CEUs. Clergy and laity are invited, and pastors are encouraged to bring a team from their church.

There is no cost for this workshop, but you are asked to pre-register by emailing Linda in the District Office at charlottesvilledistrict@vaumc.org.
