Mark your calendars for Friday and Saturday, April 21 and 22!
You don’t want to miss it!

One weekend, three great networking opportunities!

**Saturday, April 22:** Join us for the second annual ROMP Career Fair and discover opportunities for all specialties in more than 20 of Mississippi’s rural communities. You’ll have the opportunity to network with potential future employers and colleagues and learn about special incentives such as loan forgiveness and repayment options.

**Friday, April 21 - Saturday, April 22:** This meeting is held in conjunction with the Mississippi Academy of Family Physicians Spring Conference and is designed to bring medical students and residents together for networking, education and advancing the primary care specialty.

**Friday, April 21 - Sunday, April 23:** MAFP Spring Conference is a three day CME meeting that focuses on a broad spectrum of topics relevant to primary care physicians. There is also plenty of time for interaction with exhibitors, faculty and peers.
The Mississippi Academy of Family Physicians Foundation is sponsoring the fifth annual Future in Family Medicine Spring Fling specifically designed for medical students and residents. The Spring Fling is a great opportunity to network with others while gaining exposure to speakers, topics and procedural skills you might not have access to during medical school or residency training. There is no charge to attend the conference. To register, please complete the attached form or register online at [https://www.surveymonkey.com/r/2017SpringFling](https://www.surveymonkey.com/r/2017SpringFling).

**Student and Resident Conference**
