Dear 2018 MAFP Membership Directory Referral Physician:

Thank you for your support of the 2017 *MAFP Membership Directory* as a referral physician. We are pleased to announce the production of our 2018 *Membership Directory* and we want to include you.

The *Membership Directory* includes the entire MAFP membership which includes more than 1,100 family physicians, residents and medical students along with one section of sub-specialty physicians.

While Family Physicians specialize in caring for the needs of the entire family, they often seek consultations from physicians who have specialized in other areas of medicine. We invite you and your colleagues to join this network of physicians by being part of the *Membership Directory's* referral section. This quick reference will be available electronically to all MAFP members and mailed free of charge to all advertisers and referrals.

The MAFP is also offering you an opportunity to place an advertisement in our 2018 *Membership Directory*. Reserve today to get the best advertisement placement!

The benefits include:

- exposure to over 700 physicians and their staff for purchase of your services or products
- access to MAFP's membership listing

The *Directory* will contain:

- an alphabetical listing, by city and county, of our family physicians
- a resource section containing frequently requested addresses & crisis phone numbers
- a listing of sub specialists for referral purposes
- advertisements throughout the directory

To be a part of the 2018 *MAFP Directory* simply complete the advertisement and/or referral contract and return with payment to the Mississippi Academy of Family Physicians by **December 31, 2017**.

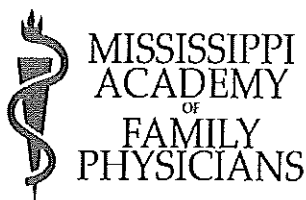

This is the only mailing you will receive regarding this invitation. Plan now to be part of the *Directory* and receive a FREE copy.

For additional, please contact Claire Rome at 601-853-3302 or e-mail at claire@msafp.org.

Sincerely,

Claire Rome
Membership Director

MISSION: Dedicated to advancing the specialty of Family Medicine and improving the health of all people in Mississippi.
