

Temporary Telehealth codes ending November 20, 2021

The Mississippi Division of Medicaid (DOM) is ending coverage of the Temporary Telehealth Procedure Codes effective Friday, Nov. 20, 2021, which aligns with the end of Mississippi's COVID-19 State of Emergency. Beginning with dates of service on and after Nov. 21, 2021, Telehealth interactions must be live, interactive, and audiovisual. Providers should refer to the [Mississippi Medicaid State Plan](#) and [Administrative Code Part-225](#) for DOM's regular Telehealth policy requirements.

Telehealth Security Requirements / HIPPA – To ensure continued access to telehealth services, DOM will continue to allow providers to operate under the enforcement discretion provided by the Office of Civil Rights (OCR) at the United States of Health and Human Services (HSS) on March 17, 2020, for the remainder of the federal public health emergency (PHE).

Temporary Telehealth Service Codes		
Code	Code Description	Effective End Date
G2010	Remote evaluation of recorded video and/or images submitted by an established patient (e.g., store and forward), including interpretation with follow-up with the patient within 24 business hours, not originating from a related e/m service provided within the previous 7 days nor leading to an e/m service	11/20/2021
G2012	Brief communication technology-based service, e.g., virtual check-in, by a physician or other qualified health care professional who can report evaluation and management services, provided to an established patient, not originating from a related e/m service provided within the previous 7 days nor leading to an E&M service	11/20/2021
99441	Telephone E&M service by a physician or other qualified health care professional who may report E&M services provided 5-10 mins	11/20/2021
99442	Telephone E&M service by a physician or other qualified health care professional who may report E&M services provided for established patient 11-20 mins	11/20/2021
99443	Telephone E&M service by a physician or other qualified health care professional who may report E&M services provided for established patient 21-30 mins	11/20/2021

About Mississippi Division of Medicaid

Medicaid is a state and federal program created by the Social Security Amendments of 1965, authorized by Title XIX of the Social Security Act, to provide health coverage for eligible, low income populations. In 1969, Medicaid was enacted by the Mississippi Legislature. All 50 states, five territories of the United States and District of Columbia participate in this voluntary matching program. The mission of the Mississippi Division of Medicaid is to responsibly provide access to quality health coverage for vulnerable Mississippians, by conducting operations with accountability, consistency and respect.
