

**MAFP Capitol Day 2017
Wednesday, February 22**

Get on Track with Family Medicine

Wear your white coat

As one of the five goals of the MAFP strategic plan, advocacy is essential when defining the standards of Family Medicine. On February 22, the MAFP will provide our members the opportunity to serve as a unified voice at the MS Capitol.

You are welcome to join us for a portion of the day or the entire day. We need as many white coats and MAFP pins at the State Capitol as possible in order to Get Mississippians on Track with Family Medicine.

Breakfast & Screenings

7 am - 12 noon

First Floor Rotunda, State Capitol

Join us for breakfast, meet our MS Rural Scholars, see the work of our Foundation and the Office of MS Physician Workforce, and visit with legislators as they have their cholesterol, glucose, blood pressure and BMI checked by MEA staff.

MAFP Membership Lunch

12 noon

Hear briefings on federal and state issues.

Shelby Mae King, MPA
