# Become a Tobacco Cessation Health Advocate

## 1 Hour CME Offered for Physicians and Staff Members - Plus 2 Hours t2p

MAFP Foundation has been awarded funding from MSDH Office of Tobacco Control for providing tobacco cessation programs which include Lunch & Learn Training Sessions. Please sign up and help us meet our grant requirements! The program is designed to help participating clinics integrate very simple tobacco cessation steps into routine patient care. Physicians who attend receive 1 hour CME and an additional 2 hours through t2p.

### PHYSICIANS: FREE LUNCH + CME\* DELIVERED TO YOUR CLINIC

"I had heard of the tobacco quit line in passing before, but the Lunch & Learn really went in depth about what it is, how to refer to it, and even how to follow up on referrals. This, along with learning how to get nicotine replacement covered through the program, made for a high-yield CME program that now benefits my patients even more."

## 2019-20 Tobacco-Free Mississippi: Engaging Mississippi's Family Physicians Project

Through a grant funded by the Mississippi Department of Health Office of Tobacco Control, the MAFPF conducted tobacco cessation training at Mississippi's Family Medicine Residency Programs.

**EC Health Net Family Medicine Residency, Meridian**  
Dr. Sarah Grabmiller, Director

**Forrest General Family Medicine Residency, Hattiesburg**  
Dr. Eric Hale, Director

**University of Mississippi Medical Center Family Medicine Residency, Jackson**  
Dr. Janet Ricks, Professor and Director

The Mississippi Tobacco Quitline can provide help for those who want to stop using tobacco by offering up to four weeks of nicotine replacement therapy (NRT), patch or gum, **AT NO CHARGE**. In order to receive the medications, clients must complete an Intake and agree to participate in cessation counseling. Medical clearance is necessary when NRT is provided.

The approach of combining counseling and medication has been shown to be one of the most effective options available.

website [www.quitnow.net](http://www.quitnow.net)

# Referral Physicians

The referral section is added as a service to our members. All names and organizations are paid listings and should not be considered an endorsement by the MAFP.

We do, however, appreciate the participation from these other specialty physicians who have enough interest in family physician referrals to be listed in this section. Publication of the 2020 Membership Directory was made possible as a result of these specialty listings as well as other paid advertisements which appear throughout the directory.

We hope that our members will utilize this section and support the individuals who have supported Family Medicine through this project.

Listings are presented in alphabetical order first by specialty, then by city and finally by practice/clinic name.
