Matteson Forest Volunteer Work Day

Friday, June 7th
10 am – 1 pm

We have several projects at the Matteson Demonstration Forest that require a few extra helping hands. So we are holding our first volunteer work day. We will be loading and hauling slash from last summer's thinning project to the parking area, and chipping it for mulch to be used in a new pollinator hedgerow to be planted later this year. Additionally, we will be lopping brush along the route of a new trail to be constructed this fall. If you have some time to spare on Friday the 7th, please join us to help these projects get off to a good start.

Please RSVP: Sonia.reagan@oregonstate.edu, or call the OSU Extension Office 503-397-3462 and ask for Sonia or Kara

Wear closed-toed shoes and long pants. Bring water, work gloves, safety glasses, and loppers if you have them. Extra safety glasses and hard hats will be provided. Snacks and cold drinks will be provided.

Directions to Matteson Demonstration Forest:

From Forest Grove, follow Hwy 47 south about 5 miles (or, if coming from the south, follow Hwy 47 north from Gaston about 3 miles). Take the turnoff for Scoggins Valley Park/Hagg Lake. Follow Scoggins Valley Road past the Stimson Lumber mill and the park entrance. Bypass the park entrance fee booth. Turn left on West Shore Drive to go over the dam. After crossing the dam, stay on West Shore Drive about 3 miles to SW Hankins Rd. Turn left on Hankins Rd and proceed to the entrance to the Matteson property. Drive through the orange gate and turn into the gravel parking area on the right.
