

Join us **November 1, 1-5 PM** at the OSU Extension Office for

# Game Changers

*this year's National 4-H Youth Science Day event*

Gain Skills In:

**Computational Thinking | Programming | Computer Software Design**

## **Game Changers Activities:**

- ⇒ **Pitch Your Passion:** a computer-based activity that introduces CS First and Scratch
- ⇒ **Hack Your Harvest:** a series of puzzle activities that introduce concepts of automation and efficiency
- ⇒ **Program Your Playground:** using the game of tag, youth will understand the concepts of pattern recognition and abstractions

**Open to youth in grades 6-8.**

Youth in grades 9-12 can attend as teen teachers but will need to attend a 1-hour training (date TBD).

**Space is limited! All youth (grades 6-12) must register by October 28:**
