Session Description:

National Association of Counties (NACo) and MAC have partnered to provide every county in Michigan with a U.S. Flag Retirement Box for their community. When an American flag becomes worn out or torn, the U.S. Flag Code dictates how to respectfully retire it. Too many of our residents are unsure of how to care for our nation's symbol, and county leaders can play a key role in informing them.

With the NACo-MAC flag box, counties can partner with local groups to collect flags ready for retirement and hold retirement ceremonies.
