

MICHIGAN COUNTIES VIRTUAL LEGISLATIVE CONFERENCE

APRIL 28-29, 2021

The Cause of Death is What Now?

2:30 PM - 3:30 PM

Lisa M. Kaspriak

Small Business Owner / Administrator, Mid Michigan Medical Examiner Group, LLC

Lisa is a Public / Private Contractor of 25yrs Managing Medical Examiner Departments. Her focus is thoughtfully incorporating Professional Industry Standards into a variety of county systems providing a cost-effective, quality full service medical examiner system. She maintains a Bachelor of Science in Healthcare Systems Management, with a focus in Computer Sciences, and Communication. Together with two doctors and a full knowledgeable staff, she proudly and compassionately serves the citizens of 12 Michigan Counties.

Session Description:

And then there were Opioid Overdoses & Mass Shootings, a COVID Pandemic & Officer Involved Shootings... But Are we Ready for where we are Trending Now? This session will look at the COVID aftermath from the County Medical Examiners perspective and what lessons we have learned, prospective problems and potentials going forward.
