

LOCAL COMMUNITY STABILIZATION AUTHORITY
Authority Council

RESOLUTION 2019-22

Authorize Distributions to Municipalities for Health Services Related Costs

Under section 17(4)(a)(viii) of the Local Community Stabilization Authority Act, Public Act 86 of 2014, as amended, MCL 123.1341 to 123.1362 (the "**LCSA Act**"), beginning in calendar year 2019, the Local Community Stabilization Authority (the "**Authority**") is required to \$10,000,000.000 in local community stabilization share revenue distribute on November 30 of each calendar year for municipalities that incur certain reasonable and allowable costs of required and allowable health services described in section 2475 of the Public Health Code, 1978 PA 368, MCL 333.2475, not otherwise reimbursed by the Michigan Department of Health and Human Services ("**DHHS**") pursuant to that section or other appropriation (each a "**Health Services Payment**" and together the "**Health Services Payments**").

DHHS is required to certify to the Michigan Department of Treasury and the Authority the amount to be paid to each municipality under section 17(4)(a)(viii) of the LCSA Act.

Under MCL 333.2475, the DHHS is required to reimburse "local governing entities" for the reasonable and allowable costs of "required" and "allowable" "health services" delivered by the "local governing entity". Subject to the available appropriations, DHHS is required to make the reimbursements in a manner to provide equitable distribution among the "local governing entities" at a rate of 50%.

As used in MCL 333.2475, "local governing entity" is defined by MCL 333.22405 to mean (1) the county board of commissioners in the case of a single county health department, (2) the county boards of commissioners of the counties comprising a district health department in the case of a district health department, (3) the mayor and city council of a city in the case of a single city health department, and (4) the county boards of commissioners elected from the districts served by the county health department in the case of a local health department serving a county within which a single city health department has been created pursuant to MCL 333.2422.

As used in MCL 333.2475, "allowable service" is defined by MCL 333.2403 to mean a health service delivered in a city, county, multi-county or city-county district served by a health department created under MCL 333.2415, or part thereof, which is not a required service but which DHHS determines is eligible for cost reimbursement pursuant to MCL 333.2471 to 333.2498.

As used in MCL 333.2475, "required service" is defined by MCL 333.2408 to mean a local health service specifically required pursuant to Part 24 of the Public Health Code ("**Part 24**") or specifically required elsewhere in state law, except a service specifically excluded by Part 24 or a rule promulgated pursuant to Part 24.

DHHS has certified to the Authority the amounts payable to each municipality under section 17(4)(a)(viii) of the LCSA Act.

While section 17(8)(e) requires the Authority to make the payments on November 30, in 2019, November 30 is a Saturday. Under MCL 8.6, if a fixed or final day used in a state law is a Saturday, Sunday or legal holiday, the day is extended to include the next day which is not a Saturday, Sunday or legal holiday.

Therefore, the authority council of the Local Community Stabilization Authority (the “**Council**”) hereby resolves as follows:

- that the Council authorizes the distribution of the Health Services Payments to the municipalities certified by the Department of Health and Human Services on Monday, December 2, 2019, as required by section 17(8)(e);
