and Sensitivity Training**

**10:15 AM - 11:45 AM**

**Steven Girard**  
Clark Hill

**Session Description:**

Surveys show that a high percentage of workers have implicit biases that lead to racism, inequality, and other forms of discrimination. This session will discuss the benefits of cultural sensitivity and workplace diversity, equity, and inclusion and how it enhances working relationships. Learn about the legal implications of racism, inequality, and other forms of discrimination in the workplace.
