The NETC Trailblazer Golf Tournament is a great opportunity for you to reach an influential consumer. We are expecting golfers from throughout our three-county service area of Chesterfield, Marlboro, and Dillon counties and the surrounding area to participate in this event.

Northeastern Technical College began offering collegiate level athletics to offer students more opportunities to compete and participate in valuable student life activities, and to help them grow as young men and women.

We are offering category-exclusive partnerships that are easy to activate and include a number of tangible and intangible benefits. As a local NETC Trailblazer partner, your organization will benefit from the halo and backing of one of the community's most respected, and stable, institutions—Northeastern Technical College.

To ensure sponsors receive maximum exposure and value, the deadline for sponsorships is March 29, 2024. We hope you find this opportunity enticing. Someone will be contacting you within the next few weeks to discuss and answer any questions you have.
