

Neighborhood Pantry at St. Paul's

If you read the last Messenger, you saw the article about the flood damage at St. Paul's which led to the Pantry being closed. Work is underway to repair the damage and we are hoping to re-open soon. In the meantime, **we will still be collecting donations** so that there is food to put on the shelves when the Pantry is up and running again. We will be starting from scratch so your donations are really needed now.

Please check the list below for items that are needed. And money is also welcomed for purchases from Harvesters, if you prefer to contribute that way. You can leave a check at the Church Office with St. Paul's Pantry noted on the memo line.
