

Dear friends,

I want to say thank you to everyone who has been praying for me or who sent cards while I was under the weather. The altar guild dropped off an assortment of goodies with a subtle “cat theme.” I really appreciate everyone’s care and attentiveness.

My Covid-19 test was actually negative; so I am not sure what I had. After the first few days, my symptoms were minor except for fatigue (their onset 6 days after I was “exposed” as they say). I slept a lot for a couple of weeks. But I am feeling normal now except that my sleep schedule is maladjusted. All in all, I am grateful to be well and am conscious of all those around the country fighting serious illness.

Again, thank you for your loving support. God’s blessings and peace be with you all during this difficult time.

Fr. David
