ST. MICHAEL'S GREEN TEAM “MEATLESS MONDAYS”

Among the Episcopal Church's goals for Care of Creation are

- committing to simple, humble, gentle living on the Earth
- promoting conscious food decisions and local, sustainable agriculture
- working toward regenerative agriculture, biodiversity conservation, and habitat restoration

The new St. Michael's Green Team invites you to join us monthly for a “meatless Monday” potluck meal. We'll affirm our commitment to care for God's creation, learn from guest speakers, and plan ways to reduce the environmental impact of our church and our homes.

Our first gathering is Feb. 10 at 6:30 p.m. in the parish hall. Bring a meatless dish to share — and your recipe!

Craig Volland will presents “A picture is worth a thousand words.”

In 1988, Craig co-founded the organization that became Kansas City Food Circle, now known for its annual Eat Local & Organic Expo. He is the chairperson of the agriculture committee of the Kansas chapter of the Sierra Club.
