

The ELKS Call

Vol. 37, No. 7

Huntsville Elks Lodge No. 1648

October, 2019

October Message from the ER

It is good to be able to address you once again as your ER. What a privilege to have the opportunity to be ER and work with so many wonderful people and do so many good things in our community.

The first thing that I would like to touch on is membership. Remember that during the months of September and October the petition fee is only \$1.00. That is basically a 30% discount!! This is an area that we really need to focus on and address. The qualified people that you know who are not members, please present them with an opportunity to become members. The fact is that membership has been declining for the past several years and we are now under 500 members.

I am at this point giving you the members notice that a properly presented motion to change the by-laws to make Huntsville Lodge 1648 a non smoking facility has been presented. This motion will be brought up for discussion, amendment, and voting on at the October 22nd meeting. This is an issue that has been a sore spot and as ER I believe that the membership has the right and obligation to voice their opinion. I am in hopes that this will put the issue to rest one way or the other.

We have elected a new treasurer due to the resignation by John Bell due to health issues. Bob Crook, who has done accounting work, has been the treasurer for the Huntsville Symphony Orchestra and from what I understand from the Orchestra took the job when they were on the verge of bankruptcy and was part of putting them on solid financial ground. Bob is also the quickbooks consultant which does not hurt either as we are transitioning to quick books now. Welcome Bob.

My last point to address is meeting attendance. I realize that as many of you have gotten older, getting out and driving at night is not an option. However we would really like to see you at the meetings, and your opinion counts. If those of you who do attend meetings happen to know another member in this situation, please offer them a ride. If you want to know what is going on you need to attend at least the first meeting of the month.

Let's exhibit the qualities of Elkdom in our daily lives, those around you may become curious!

BINGO HELPERS NEEDED!

Would you be willing to donate 4 hours a month or bi-monthly to help our Bingo teams? Remember, our Bingo money goes to our scholarships.

Without Bingo, we would not be able to help so many deserving young people with their college education. If you have a high school senior that is going to need financial help, let us know and we can get you an application for the scholarships.
