Elks Mid-Year Meeting	11

Thanksgiving has come and gone and we have some much within our lodge to be grateful for; its people. We not only lift up those in our community but also within our four walls as well. A Elks message has always been "Elks Care and Elks Share." This year we shared a Thanksgiving dinner for invited veterans that wouldn't have enjoyed a home cooked meal. We as Elks came together the night before Thanksgiving and you shared your favorite dishes for all to enjoy but also the veterans within our membership. It was a night I'll never forget sitting with a table of veterans from many branches to talk with them and watch them enjoy their dinner.

In November your lodge also provided 75 baby bags filled with essentials for newborn babies and their underserved mothers. A gallant effort by the grants team and you that contributed and helped fill and deliver three truck loads of bags and boxed goods to our partner Happi Clinic. You know I could go on with other projects we accomplished in November but it's time to look ahead and not behind us.

It's now December and where has this year gone? But we've got a schedule filled with many lodge activities for you as members to enjoy. Our annual Christmas Party, Dirty Santa and of course our Staff Christmas Party. I encourage you all to bring a bottle of good liquor and wine to add to the wheelbarrow. This wheelbarrow is being raffled off for the sole purpose of providing our wonderful staff that serve you seven days a week a Christmas Bonus. Contribute a bottle and buy raffle tickets today to win the whole wheelbarrow! A winner will be drawn at The Staff Christmas Party where we serve the staff that evening, participate!

It's a special time of year where we will also start assembling Kids for Christmas Food Packs. These packs sustain underserved elementary and high school students in a city and county school. This Herculean effort is once again spearheaded by the grants team. But unlike the baby essentials last month we need everyone to contribute your time. We need assistance with stocking the assembly line, separating it and then assembling the bags themselves. This was one of our lodges largest and well attended community projects last year packing 250 bags. We need your help again this year and please ask a friend, doesn't have to be an Elk to participate. Let's share with others exactly what Elk's are beyond the walls of our lodge club. Get involved it will fill your heart with the Christmas spirit more than writing a check ever will, I promise you that!

Christmas is upon us and it's a season to also be thankful and share. We have members that don't have family ties like we have, invite them to your celebration. Likewise that neighbor or coworker that shares the same potential loneliness, let you be a light for them this Christmas. Your light will be brighter for it, I assure you.

Lastly Christmas was a gift to us all. As Elks the first question asked of you when you took your oath; do you believe in God. Elks are not a religious organization but our foundation is that of God and The American Flag. There's a reason for the season that I and many believe to be true and that a child was born in Bethlehem. He was the Son of God and wanted nothing but the best for us all. So in the very spirit of Christmas open your hearts and your minds to all the unimaginable. For at the Huntsville Elks Lodge we are but an instrument in Gods works.

I'm grateful to each and every one of you reading this message of hope. From our family to yours, Merry Christmas and may the New Year bring you joy and happiness beyond your wildest expectations.

Elks exist to serve others!

Please consider donating to the [Elks National Foundation \(ENF\)](#) 501(c)(3)

Seventy-six (76) bags containing at least 10 baby items each were delivered to HAPPI Clinic along with a pickup truckload of extra items which were mostly diapers. [See page 2](#)

This is one more bag than last year. Members and friends stepped up in donating extra diapers which are always in need; these were delivered for the HAPPI Clinic supply closet.

A special thank you goes to the member that crocheted the beautiful baby blanket for a HAPPI Clinic newborn.

The grocery list and supplier list has been developed. The Grant Committee will purchase the items starting the week of 27 November and deposit them at the Elks Lodge. On Sunday 3 December at 3:30 the Grant Committee with Elks volunteers will fill the bags to be delivered to Morris Elementary School and Buckhorn High School. Fifty (50) bags will go to each school on 8 December. The Committee will also purchase food items for the Christmas break for the Harvest Youth Group.

Another on-going project for the Grant Committee is the Huntsville Learning Center. It is the plan to delivered the furniture already received and put it together. Other requested furniture is to be received by the Grant Committee in January 2024.

★ Snack Basket for Tut Fann ► Monthly

Some ideas are: Pork Rhinds; Jerky; Chips, Oatmeal Pies; Little Debbie’s; Cracker Jacks; Rice Crispies; Cupcakes; M&Ms; Nutter Butter; Cheez-It Crackers, and any kind of Candy.

If you like ‘em – they’ll like ‘em.

The Veterans play **Bingo on Monday** for full size candy bars...and their library is in need of large print, hardback books.

Drop these in the **Snack Basket** and we’ll get them to Tut Fann each month.
