Vol. 38, No. 6

Huntsville Elks Lodge No. 1648

September, 2020

## Exalted Ruler's Message

Hello Elk Members,

I want to thank those of you who are supporting our Lodge and respecting their fellow Elks on the Covid-19 restrictions. Please keep your distance and wear your mask when not eating or drinking. If you have been around anyone who has tested positive, please quarantine yourself and do not return to the Lodge for 10 to 14 days. Our members are valuable to us.

We had the State Convention in Birmingham in August. Our Lodge was presented with a \$3,000 check. These funds are usually used for the Christmas party, Harvest Youth and drug awareness in December.

The District Deputy Clinic also took place in August. We were informed that most Lodges in the North Alabama area were having the same Covid-19 problems as we are having with attendance. I was just notified that our Lodge will be receiving \$1,500 from the Grand Lodge to help with finances.

Congratulations to our Grant Committee. They have received approval for the Beacon Grant. This committee has received all our grants requested except two. Good Job!!

The Membership Committee has done a great job bringing in new members. Please bring in your friends and family and show them what good things the Lodge does for our community. Please remember to sign in all guests and be responsible for them while in the Lodge.

The Board of Directors has had several workshops to get the Lodge structure back in place in accordance with the Grand Lodge Statutes. These changes must be made and should be accepted by our members.

The House Committee is also going through changes with the inner structure by the Grand Lodge Statutes. They have been working hard to increase our member participation and activities. Kitchen open days and hours have been extended. Additional changes will also be made for the upcoming football season. We all are looking forward to a little more normal.

A special thank you to Mike West for accepting a temporary position of House Committee Chairman in the absence of Pat Edwards. Great Job House Committee!

The Hoop-Shoot program has been cancelled for the upcoming year due to Covid-19.

Remember, delinquent notices for dues will be going out soon. If we do not have your e-mail address, please provide it to one of our Officers or put it in the Secretary box in the lounge. It is important so you can stay informed of the Lodge's business. For all the Lodge business come to the meetings. Starting in September the lodge meeting is back every second and fourth Tuesday.

Be Safe,  
Michael L. Davis, Exalted Ruler

## House Committee

Taxes and bills against the club are paid.

We want to welcome back so many of you over the past weeks to the #1648 Club! We encourage you to join us as we expand activities all the while requesting all members and guests continue to follow suggested COVID-19 safety protocols while enjoying yourselves. Kitchen is now open 4-8pm Monday, Wednesday, Thursday, and Friday's at this time . . . come join us for appetizers and dinner along with a beverage!

Friday after 4pm and Sunday after 2pm are big days to enjoy friends as this is our most popular patio day to join the outdoor fun and cornhole games are available each of those days. Monday's are fun time Bar Bingo, Wednesday's are Poker Night and that group is always looking for new players. Thursday's we are running some of your favorite food specials . . . yum! Friday's is once again our big dinner night where great steaks highlight the menu. Saturday nights we are starting Left / Right / Center games, at least one poker table available and some more games you may enjoy!

College football is right around the corner with kick-off on September 26th - we will open early at 2pm. We will be bringing you some highlights to make the day of games more enjoyable. However, a reminder to all, even though you may have food delivered on days the kitchen is closed, covered dish tailgating is still prohibited due to COVID-19 safety. Again, our employees are cleansing areas and we are making your #1648 Club a safe place for you to come and have fun again! JOIN US THIS WEEK!
