

Cincinnati Music Theatre Audition Notice:

Director: McLean Strickland-Parr

Producer: Brett Parr

This production staff is committed to bringing together a diverse group of people who are dedicated to bringing this story to life. We encourage performers of all races, ethnicities, gender identities, sexualities, abilities, and body types, to submit an audition. We hope to unite a group of people looking to enhance the arts in our community. No roles have been precast.

About the Production:

This original rock revue will take audiences through a story in a medieval setting that they think they may already know. A Princess has come of age and the kingdom has gathered to celebrate the bright occasion. Like everything in life, unexpected twists can come at any time and we quickly find ourselves in the heat of a battle for power over the kingdom and more importantly the happenings within the Royal family's own dwelling. Epic rock songs propel this story through highs and lows, bringing emotion and new meaning to classic music and lyrics from the past and present in this nonstop, high-energy production. Bring on the Reign!
