

Linking Older Adults to the Best Kept Secret

Are you 60 or older and need help living safely at home?

Are you a caregiver supporting an older adult?

Are you a professional working with older adults?

Join Independence at Home for a presentation about California's no-cost Multipurpose Senior Services Program (MSSP)

MSSP is available to older adults who are:

- 60 years of age or older and live in our service area,
- Currently enrolled in Medi-Cal,
- In need of help with everyday tasks (bathing, dressing, etc.),
- Open to care management phone calls, and in-person visits.
