ALLIED FEDERAL CREDIT UNION | OCTOBER 2026

Your Home Could Fund What's Next

Every mortgage payment you have made has been quietly building equity: the difference between what your home is worth and what you still owe. It may be the most affordable borrowing power you have.

A Home Equity Loan from AlliedFCU turns that value into funds you can use now, whether that is for a renovation, tuition, consolidating higher-rate debt or an opportunity you did not see coming.

- Fixed rate, predictable payment
- One lump sum, up front
- Amounts starting at \$10,000
- Terms from 5 to 15 years
- Borrow up to 80% of your home's value
- No prepayment penalties
- Local decisions, real people

Your next chapter may already be paid for.

Check with your tax advisor regarding the tax deductibility of interest paid on Home Equity Loans. Programs, rates, terms and conditions are subject to change without notice. Normal lending criteria apply. All loans subject to credit approval. AlliedFCU NMLS #451160.

No Tricks Just Treats for Young Savers

Your kids will come home Halloween night with a bucket of sugar and maybe a little cash. Turn it into a lesson that outlasts the candy.

Children form their attitudes about money earlier than parents expect, often by age 7. A Star Savers Youth Account gives them a place to watch their own money grow, which is what makes saving click.

Open a **Star Savers Savings Account** with just **\$5** and earn **5.01% APY** on balances up to \$500, one of the highest rates we offer.

Young savers also get birthday recognition and prizes for reaching their goals.

Bring your child to any branch and open one together.

A Steady Signal in a Noisy World

On Thursday, October 15, credit unions in more than 100 countries will recognize International Credit Union Day. This year's theme is "Cooperative Finance: A Steady Signal in a Noisy World."

Credit unions run on an idea that has not needed updating: a financial institution can be owned by the people who use it. That is why AlliedFCU returns earnings to members through better rates, lower fees and real service.

So the day is not really our holiday. It is yours. You are not a customer here. You are an owner.

Celebrate with us that evening at Haunt the Block in Mansfield.

Your Holiday Money Is Almost Here - Right on Time!

Have a Holiday Club Account?

Your savings will be deposited into your checking or other designated account on **November 1**, right on time for gift lists, travel plans and everything else the season brings. No paperwork, no request needed. It will simply be there.

Wishing you had started one earlier this year?

Open a Holiday Club account now and spend next year quietly funding the holidays a little at a time. Come next November, it is already handled.

Stop by any branch to open one.

Socktober Runs Through Oct 25

Socks are the item local shelters need most and receive least. Warm, dry feet help prevent illness for neighbors without a permanent place to call home. Members donated more than 600 pairs last year. Bring brand new socks to any branch through October 25 and help us beat last year's total.

HOLIDAYS!

All AlliedFCU branches will be closed Monday, October 12 in observance of Columbus Day. Online and mobile banking are available anytime.
