PEQUEÑOS PASOS

COMMUNITY ENGAGEMENT

With Heart and Sole and Eleven 5 Sports, every tour is more than sport. Your team will enjoy a complete international experience, competitive matches, professional training sessions, cultural immersion, and world-class organization.

And there's something even bigger: by traveling with Eleven 5 Sports, you're already supporting the Pequeños Pasos Soccer Academy, a program that gives hundreds of children and teenagers in Argentina the chance to play, train, and grow through sport, fostering teamwork, discipline, and confidence for a better future.

Plus, since Pequeños Pasos is a U.S.-registered 501(c)(3), families and sponsors can make tax-deductible donations to further support the academy and expand its reach, turning your team's trip into a powerful opportunity to change young lives through soccer.

During the trip, your players will also visit the Pequeños Pasos facilities, meet the young athletes, share the field, exchange experiences, and deliver donated gear. This unique visit allows them to experience futsal in their most authentic form, as a tool for building bonds and changing lives.
