How Do I Hire an Algonquin College Co-op Student?

1. Post

Email your job description to coop@algonquincollege.com or submit our online job posting form. Post your jobs 3-4 months in advance for access to the largest talent pool.

2. Review

Review the applications we email to you the day the job posting closes and notify us of the co-op selections you would like to interview.

3. Interview

Our office will coordinate and schedule interviews with your selected students.

4. Make an Offer

Once you select your candidate, we will present the job offer to the student and confirm their acceptance within 1-2 business days.

Please contact coop@algonquincollege.com for more information
