

### Message from the Book Review Editor

WEW is soliciting book reviews from our readers. Below is a list of possible books. If you are interested in reviewing one of these for *WEW*, please contact me at Sharon.Kowalsky@tamuc.edu. Please note that most of these books are in English or published by international publishers. We encourage you to suggest other recent, non-English language works of interest to our membership, including those from the region that may not be readily available in the U.S. If you plan to travel to the region, please keep an eye out for books that your colleagues and students would like to know about. You could be our next reviewer! If you are interested in reviewing a book that is not on this list, please let me know and we can discuss that.
