**Construction Training Program**

## **The Salvation Army Sacramento FREE Job Training that Transforms Lives**

Our Culinary Arts Training Program helps students develop entry-level kitchen skills so that they may successfully work in the food industry. Sacramento, known as the Farm to Table capital, is home to hundreds of establishments in the metro area, from pop-up catering to high end restaurants. Sacramento has it all!

We have also partnered with LiUNA! (Laborers' International Union of Northern America) to offer our Construction Training Program Pre-Apprenticeship hands-on training that provides students with a comprehensive introduction to the construction trades as a career path with the Labor Union.

As part of our commitment to transform lives and improve our Sacramento area community, we offer two important job training opportunities that we call Workforce Development.

Both programs help to meet high industry demand while transforming the lives of people who have overcome homelessness, addiction and other serious life problems—and are ready to start new, productive lives.
