

## USF Student Alumni Association (SAA)

A sense of belonging is crucial to student success and one sure way to accomplish that is by joining student organizations. The University of South Florida Student Alumni Association (SAA) is open to **every** student – no eligibility criteria or invitation required. The SAA, the largest student organization on campus, brings together all ages and connects them with their peers and alumni through socials, professional development and service events. For a one-time fee of just \$40, students become members through graduation or for up to five years and receive specialty items including an exclusive member T-shirt and lanyard. Throughout the school year, they'll have leadership opportunities, enjoy members-only events, and receive free athletics-oriented T-shirts, plus a 15% discount at the USF Bookstore (must show digital membership card). SAA membership builds confidence and a support network to help students succeed. Join today at [www.usfalumni.org/SAAjoin](http://www.usfalumni.org/SAAjoin). Questions? Contact SAA advisor Tyrone Gray at [tgray@usf.edu](mailto:tgray@usf.edu).
