

Housing & Residential Education

Is your student starting at USF this fall?

Grand Opening day is right around the corner on Thursday, August 22. This is a day of celebration, transition, and support. You will be welcomed by staff, faculty, and students when you get to campus to assist you with the move-in process. Read all the details regarding move-in, parking, helpful check lists and more on [our website](#).

Important Update About On-Campus Housing Availability

We have reached capacity for on-campus housing this fall. [Click here](#) to learn more about this update and information on additional options.

Resources for Conflict Resolution

Students experiencing difficulty working something out with a roommate have resources on campus! All residents have a Resident Assistant who is a student para-professional staff member trained in conflict resolution. They will help students navigate any bumps in the road as they transition to college.

Join the Group!

Encourage your student to get connected with their fellow incoming Bulls, current students, and campus experts in the [USF Class of 2023 Facebook group](#). This is THE place to stay connected as they prepare for the USF experience as well as their online town square once they arrive.

Join us for USF Housing LIVE!

USF Housing LIVE! connects students and families with the USF campus through a live show aimed at answering questions in real time from viewers, showing off everything USF, and having some fun along the way. USF has a lot to offer, and USF Housing LIVE! will show you around. Experts from various living learning communities, academic programs, and student support programs will be on the show to answer your questions. The show airs every Wednesday at 7 p.m. ET until the season finale on Wednesday, August 7. You can be notified that we are live by subscribing to our [YouTube channel](#) or liking our [Facebook page](#). Make sure to join when we are live if you want to ask a question. Don't worry if you miss an episode, the recordings will remain available on YouTube and Facebook.
