

Note from the President: January 2026

By Professor Charlotte Benson, ACVA President

Dear Friends of ACVA –

Hope you've started the new year off in a peaceful and productive way. So many planets travelling together in the sky at the moment is a problematic situation, so we must all cultivate as much patience as possible. Managing our thoughts is especially important under this complex, combust influence. I remind myself of this regularly!

All is well at the college. Faculty and staff and the Leadership Team are working together as a well-oiled education machine for the benefit of our dedicated students. It's gratifying to see the number of new inquiries about admission to our courses. ACVA is thriving!

Venkatesh Narasiah presented a fascinating webinar on "The Application of Jyotish in the Mental Health Field" this month. ACVA members attended for free – and you can too when you become an ACVA member.

Please enjoy the brilliant articles contributed by our equally brilliant faculty this month.

Thank you to our donors, and to all of you for your continued support of ACVA.

Until we meet again, keep looking up!

Fondly,

Charlotte

Professor Charlotte Benson (Jyoti Devi)
