Any general advice to your learners?

It's not what you say, it's what they hear that matters.

Any plans for making the most of Rahu/Ketu shift into Gemini/Sagittarius?

Oh yes! Rahu is transiting my 12th house and natal Jupiter. I'm taking advantage of this energy by minimizing my household and doing a lot of writing. I just finished creating a new website and I'm helping to create some new and exciting online features for ACVA.
