

Dear ACVA members and recipients of our publications –

Please note that we now have **three different channels to stay in touch** and up-to-date with what's going on in ACVA. We'd love it if you would encourage your students, interested associates and others to follow us by one or all of the following means:

1. **Join our mailing list** and we'll start sending our free regular publications – a monthly newsletter, and a quarterly journal – each with a forecast of upcoming astronomical phenomena, advance notice of webinars, educational and entertaining articles on *jyotisha*, and information on notable Vedic festivals. Just visit our website at <https://acvaonline.org/comet-the-acva-newsletter/> and sign up to start receiving these regular communiqués.
2. **Follow us on Facebook** <https://www.facebook.com/acvaonline> where we regularly advertise our scheduled events, such as the popular “Ask Jyoti” webinars, and with many more educational webinars to come as the year progresses. Again, please alert all in your circle who are interested in the divine science of *jyotish*.
3. **Follow us on Instagram** <https://www.instagram.com/acvaonline/> where our account is so new that we've barely had time to post anything yet. But rest assured, things will soon be appearing with regular frequency. Again, please help us, via word-of-mouth, email, or sharing within social media to alert students, friends and acquaintances.

We're looking forward to serving you and our *jyotish sangha* with many more offerings. We don't want you to miss out on anything, so please stay in touch!

Professor Charlotte Benson, President ACVA
