

Planning for Important Healthcare Decisions

Everyone can benefit from having their healthcare choices written down in case they are ever unable to speak for themselves.

Often, starting the conversation with loved ones is a difficult first step.

Join us for a **FREE** workshop with tips and tools to start the conversation and a discussion on the do's and don'ts of completing an **Advance Care Directive**.

Participants will receive Advance Care Directive forms and guidance on their completion.

Thursday, July 20th from 1:00 - 3:00
Hospice of the Valley
4850 Union Avenue, San Jose, CA 95124
