

EASTSIDE CATHOLIC

2026-27 High School Student Supply List

Below is a list of general, recommended and required supplies that are listed by individual subjects. If there is an overlap, students will only need one of those items, but they must have the items with them in each class.

Eastside Catholic will provide the necessary digital licenses and textbooks for each course. Consumable materials—such as workbooks and novels that require annotation—are for students to keep. Non-consumable textbooks will be collected by the teacher at the end of the term. Students will be charged for any unreturned or damaged books

All high school students will need the following for many or all classes:

- one combination lock for locker (if opting to use a locker)
- one pencil pouch/supply case
- binder with notebook paper OR notebooks for notetaking (students can choose style unless otherwise directed by teacher)
- school-issued laptop, stylus, and charger (all REQUIRED for most classes)
- No. 2 pencils and pencil sharpener
- black pens
- one box of markers

Science courses

- scientific calculator (graphing or non-graphing acceptable; see below details if also enrolled in Geometry)
- for Honors Biology
 - three-ring binder (used for science only)
 - quad-ruled composition book
- for AP Biology
 - 2" three-ring binder (used for science only)
 - Five-Star (or similar) spiral notebook, college ruled, water resistant cover (5 subject and/or 200 pages)
- optional for all chemistry (General, Honors, AP) and AP Environmental Science classes: safety goggles will be provided to students (sterilized between usage). However, if a student would like to purchase their own, they may do so provided they are one of the two following models:
 - for students who wear glasses: [Honeywell UVEX Strategy Goggle \(indirect vent, models S3815, S3820, S3810\)](#)
 - for students who do not wear glasses (the above work, but the following have a slightly slimmer design): [Honeywell UVEX Stealth Goggle, model S3960C, all models are acceptable as long as they have a clear lenses](#)

English

- standard-sized Post-it Notes
- set of colored highlighters

Math – all courses

- TI-30XS Multiview calculator
- computer stylus and charger

Geometry

- pencils for homework
- red correcting pen
- set of colored highlighters

Academic Resources

- Laptop/Surface tablet charger (bring your own to class each day)
