

WHAT TO EXPECT

DURING AN ON-SITE COMPREHENSIVE EYE EXAM

Routine Eye Exam

Most doctors recommend screening your vision on an annual basis. Regular eye exams are the first line of defense against eye disorders, such as chronic dry eye, inflammation, glaucoma, age-related issues and cataracts. These are the services you will receive during your exam:

- Pupil Dilation
- Visual Acuity
- Intraocular Pressure
- Auto Refraction
- Slit Lamp Exam
- Dilated Fundus Exam
- Retinal Photo
- Prescription and Fitting for Glasses
