Meet the 2020 Carlinville Queen Candidates!

COUNCIL CHAIR SPEAKS:

Thoughts from the Council Chairperson

Hello Lions and Leos of MD-1. Our new Lions year is off and running. Since the International Convention was cancelled the incoming Council of Governors were sworn in via a series of virtual ceremonies by President Choi at the end of June and the beginning of July. Many shared the moment with family, friends, and fellow Lions from their district.

Here is your COG's for 2020-21:

- 1-A – Marilyn McLean
- 1-BK – Sue Wolf (Tail Twister)
- 1-CN – Debra Greaney (Secretary)
- 1-CS – Derek Eurales (Chaplain)
- 1-D – Ron Fruit
- 1-F – Tom Lippert
- 1-G – Kathy Dieker
- 1-H – Diane Kroll
- 1-J – John Barsanti (Vice Council Chair)
- 1-M – Bill Wallpe (Treasurer)

Congratulations to all the incoming Governors!!

President Choi's theme this year is "United in Kindness and Diversity". Lions don't just serve the world. We represent it. This year, we'll unite clubs and communities around the world because in times of great need, greater good can only be achieved when we join together as one.

Our MD-1 GAT team is busy preparing for the new year. There will be a slightly different approach to the GAT Summit this year due to the COVID-19 pandemic. It will be a 2-step approach.

An initial GAT Summit will be held via Zoom on August 8th starting later in the afternoon. This session will go over objectives for the coming year and provide an introduction to the NAMI program.

A follow-up GAT session will be held after the COG meeting on September 12th in Springfield at the Abe Lincoln Hotel to determine action plans for the year. State of Illinois rules and restrictions will determine how that meeting is structured.

This is going to be a year where we as Lions need to be creative and flexible as we navigate an ever-changing landscape.

I know we will rise to the challenge and serve those in need.

In closing I want to thank you for all you are doing to serve your communities. Thank you for reading.

MD-1 Council Chairperson Joe Vinyard

FROM GLOBAL LEADERSHIP CHAIR:

The new Lions' year is upon us. Many changes have happened around the world in this last year that have impacted our clubs, our members and the service provided to our communities. Now is a great time to reflect and renew. Lions Clubs International has a great tool to do just that.

As stated on the Lions Clubs International Website:

The Club Quality Initiative is a strategic planning tool to help clubs identify opportunities for improvement. The program features LCI Forward and

involves the whole club in this exciting process to make the club even better.

The initiative can be implemented as a single session, a series of short gatherings or a half day workshop. The club members have the option to choose what works for them.

LCI provides these resources:

- Flyer describing the implementation options
- Facilitator's Guide
- Power Point
- Participant Workbook

Clubs are asked to assess where they are and then determine where they want to go in four different areas. Clubs can choose to focus on one area, a couple of areas or all four.

- Enhancing the service impact
- Reshaping public opinion and visibility
- Pursuing club organizational excellence
- Improving member value and reaching new markets

Contact me if more information or assistance in implementing is needed. Or, reach out to your District Global Leadership Team Coordinator for support. Imagine the possibilities if every club in MD1 was working at its top quality! Let's make this happen!

FROM GLOBAL MEMBERSHIP CHAIR:

[Lions Online – What the Internet Has to Offer](#)

This e-book has a lot of useful information about "all things online" including definition of terms, how to use different applications, and Cyber Clubs. This e-book is for ALL Clubs who find themselves struggling right now.

If your Club disappeared, what would happen to the community you serve? What would be lost? Who would take care of those things going forward? Would some things be lost forever? You don't have to take care of ALL your Lions, just the ones you want to keep! This phrase is a remake of something I saw on my dentist's wall but it spells out the meaning of Lions' retention well. Adding new Lions is very important but equally, if not more important, is keeping our current Lions active within our Clubs.

Last year, every District in MD-1 ended the year with a negative loss in

membership (we lost more members than we gained). This is not a reflection of any particular Lion, group of Lions, or District and has been an unfortunate ongoing trend in several recent years. In the 2018-19 Lions' year, only 2 Districts showed a net growth in their membership. In MD-1, we started the current Lions year with 13,119 Lions. To date, we have added 42 and lost 68 Lions for a net loss of 26 Lions. This is a trend we must stop.

How do we do this? We have a great GMT team this year! Thank you to those who stepped up to serve as their District GMT: 1-A Dan O'Reilly, 1-BK John Joseph Honiotes, 1-CN Gideon Richardson, 1-

CS Zachary Frost, 1-D Pam Graney, 1-F Ron Niemaszyk, 1-G Dean Hemming, 1-H Tony Holland, 1-J Jim Kiser, and 1-M Mark Krutsinger. These GMTs are your District's resource for all things membership. Please reach out to them for any assistance you may need. Between our GAT teams, the resources we have been given, and the great Lions that make up MD-1, we can do this! We need every Lion to work on membership this year! **TOGETHER!**

Hello to all the Lions of MD-1 and beyond:

This past year of Lionism has been a year of change for the Lions. We have had to change our way of serving those that we help and the way we conduct our club and district business and fund raising activities.

On behalf of Brenda and myself, I would like to congratulate the class of 2019-2020 District Governors from MD1 that

You have been able to adjust your business, schedules and activities to the changing conditions that started this past March to the present. Many of your club visits, Cabinet Meetings and District Conventions had to be cancelled, but through it all you stayed in touch with the Lions. You showed and perhaps made your Lions aware of the different options that are available through the internet.

I agree that virtual meetings are not the same, but we cannot stop what we are here to do – “To Serve”. We need to stay in touch with each other, to make sure that our members are not only doing fine, but also to see if they are in need of some service that we can help with. It is important that we maintain the members that we have, and also make sure they know that we are interested in their well-being as a person.

Unfortunately, our Lions of Illinois State Convention was a victim of this pandemic as well. We were unable to gather to celebrate our year of service and get with those friends throughout the State. It was a hard decision to make, but also one that every District faced during the spring. Lions like to gather to share ideas, create and nurture friendships and conduct the business that is before our General Membership.

We did not get the opportunity to share ideas, talk about what was going on in our club or district, and share in open discussions about the matters that are facing our Multiple. Instead we have had to go to virtual meetings, which does not help in the social connections that we have enjoyed over the years.

One of the important parts that we could not do, was to recognize those Lions that have gone beyond what their District Governor was asking them to do. At the State Convention we honor those Lions through the presentation of the Presidential Award and the Leadership Medal. These two awards are the second and third highest award that can be presented to a Lion. This recognition is presented by our International President Choi to those Lions that have been nominated by their respective District Governor. Each governor was asked to submit their nominees along with a description as to why they should be receiving this award.

These awards were sent to me and I in turn got them out to the respective District Governor for presentations. The following is the list of those that have been recognized for their achievements of the past years of service to their District.

Congratulations to all!!!!!!

The new Lion's year 2020-2021 has started!!!!

Congratulations to all the newly elected officers in your clubs and District.

We will need to work even harder this year, as we are start out with this pandemic in place and really not knowing what the new norm will be like. We need to stay focused on our motto of "We Serve" not only for those in the world, but also for those in our local community and clubs. We need to strengthen our membership through getting new members not only for their assistance, but also for the new and fresh ideas that they will bring with them as they join your club.

Since there was no International Convention in Singapore, President Choi will continue to serve as our president along with the Executive Officers and Board of Directors for the year of 2020-2021.

The Presidential Theme for the coming year will be "United in Kindness and Diversity" He has combined his theme with that of the theme that was to be of the late VP Haynes Townsend.

The two words work great together and shows everyone what it means to be a Lion. Our membership has been adjusting to this period of time and the surrounding health conditions that we are facing. They continue to perform the service that the Lions are known for and

through this, it shows to others that we are united in our service and the kindness to those we serve throughout the world and in our own communities. Continue that service. Lion Brenda and myself, thank you for the support that you have given us.

We will continue to represent you on the International Board and look forward to the day when we can be with you. Stay safe and healthy.....

Lions Candy Day 2020

Dear Lions Club Members,

Enclosed is your 2020 Candy Day information packet. **2020 CANDY DAY** is scheduled for **October 9th and 10th** - the second Friday and Saturday in October.
We also understand that Candy Day dates may vary.

In this packet, you are receiving all the information needed to have a successful

Traditional Candy Day

Your District Trustees are setting up **Candy and Candy Day supplies "Pick-Up points."** To support you in your efforts to move forward with your Candy Day Event, understanding that a traditional Candy Day Jamboree would not be possible. **Pick up points** will be e-mailed through your club secretaries. Contact your district trustee if you are needing more information.

Please contact Dianne Ortega at DOrtega@lifnd.org to order your Candy and Supplies needed.

THIS YEAR DUE TO COVID-19 SOME OF OUR TRADITIONAL CANDY DAY FUNDRAISING EFFORTS HAVE BEEN RESTRICTED, AND YET THESE PROGRAMS AND SERVICES ARE STILL NEEDED BY OUR COMMUNITIES.

With this understanding, we have also included a packet that will have information on hosting a

Non Traditional Candy Day Fundraising Event.

We have rewritten Underwriter Letters, Business Owners Letters, Radio Spots and Press Release to use "as is" or for clubs to use as a guideline to ask community businesses and past underwriters to assist in your efforts to fund programs such as Camp Lions and Student Low Vision. Either with a cash donation or a raffle donation or a donation to purchase to assist in your fundraising event.

Some districts have already had successful walks, curb side fish fries, raffles, 50/50 drawings, curb side barbeques just to name a few.

Please contact the Foundation Office if you have questions or need assistance in marketing your **Non Traditional Candy Day Fundraising Event.** Office@lifnd.org

Thank you for your patience and understanding during this unique and challenging time,

Vision Statement

The Vision of the Lions of Illinois Foundation is to create a permanent vehicle for the delivery of programs and services to the visually and hearing impaired.

Illinois Lions Club Candy Day

Serving People with Vision and Hearing Needs since 1974

Dear Business Owners:

The Lions of Illinois Foundation have served the blind and deaf in Illinois ever since the great social activist, Helen Keller, challenged the Lions to be "Knights of the Blind in the Crusade Against Darkness."

Today, with nearly 500 Clubs in Illinois and 13,000 members, we continue to try to meet the challenge. Our services include, FREE mobile retinal and hearing screenings, which travel to every corner of the state. We also conduct FREE Low Vision Comprehensive Screenings to students in Illinois. This helps provide them with tools to succeed in school and throughout life. Our "Seeing is Believing" program partners with some of the most forward-thinking vision research and evaluation providers in the world benefitting our youth.

Our FREE Camp Lions for Blind and Deaf Youth and Adults, an award-winning program, brings peers together for a positive summer camp experience.

Through these combined services we try to reach out and improve the lives of over one million individuals in Illinois that have vision or hearing impairments. As Lions, we strive through education, screenings and fundraising, to help people retain as much of their hearing and vision abilities as possible.

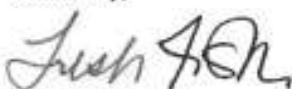

As a means to reach these ends, the Lions of Illinois have relied on our statewide fundraiser, Lions Candy Day. Candy Day is held annually on the second Friday of October. This year's Candy Day is Friday October 9th, Lions will be noticeable on sidewalks, street corners and store fronts.

In an attempt to garner donations for our many service projects, business operators like you have long supported Candy Day both locally and statewide.

Will you stand with us? You can help by simply allowing the Lions of Illinois the opportunity to stand outside your storefront and greet your patrons with a gift as our thank you for their support. By this simple action, the Lions hope to raise funds to help prevent blindness and hearing loss.

We look forward to your support in this endeavor. www.LionsOfIllinoisFoundation.org

Sincerely,

Trish Fisher

Dear (Name of business or contact):

The (Club name) _____ takes great pride in being a strong community organization. We are glad to be able to serve our town by assisting people with vision and hearing impairments, as well as many other projects that reach out and enrich the lives of both the young and old.

Every year the Lions host "Candy Day", a traditional fundraiser to support helping the blind, visually impaired, deaf, and hard of hearing. The (Service area) _____ benefits through local projects such as: screenings for hearing and diabetic retinopathy, assistance to those in need of eyeglasses and reconditioned hearing aids, camping for adult and youth who are visually/hearing impaired and other services.

Can we count on your help this year to underwrite the cost of a case, or more, of candy? Your donation of \$ _____ goes a long way to defer the expense and increase the amount of aid we can provide to those in need. There are NO administrative costs, so every penny raised on each underwritten case of candy goes directly toward providing our vision and hearing services to the _____ community.

If you decide to support this worthy cause, please make your check payable to the Lions of Illinois Foundation a 501C(3) corporation, and your contribution to the Lions of IL Foundation is tax-deductible to the extent allowed by law.

Thank you for your time and support,

Dear Taxpayer:

This is in response to your request dated Mar. 01, 2016, regarding your tax-exempt status.

We issued you a determination letter in June 1974, recognizing you as tax-exempt under Internal Revenue Code (IRC) Section 501(c) (3).

Our records also indicate you're not a private foundation as defined under IRC Section 509(a)(1) because you're described in IRC Sections 509(a)(1) and 170(b)(1)(A)(vi).

Donors can deduct contributions they make to you as provided in IRC Section 170. You're also qualified to receive tax deductible bequests, legacies, devises, transfers, or gifts under IRC Sections 2055, 2106, and 2522.

In the heading of this letter, we indicated whether you must file an annual information return. If a return is required, you must file Form 990, 990-EZ, 990-N, or 990-PP by the 15th day of the fifth month after the end of your annual accounting period. IRC Section 6033(j) provides that, if you don't file a required annual information return or notice for three consecutive years, your exempt status will be automatically revoked on the filing due date of the third required return or notice.

For tax forms, instructions, and publications, visit www.irs.gov or call 1-800-TAX-FORM (1-800-829-3676).

If you have questions, call 1-877-829-5500 between 8 a.m. and 5 p.m., local time, Monday through Friday (Alaska and Hawaii follow Pacific Time).

Sincerely yours,

We Serve

PRESIDENT'S MESSAGE

United in Kindness and Diversity with International President, Dr. Jung-Yul Choi

Dear Lion,

Together we have accomplished incredible, life-changing work around the world, but that good work has always begun with you. Your kindness and service unites your community in both good times and times of great need. And at all times, in all places around the world, where there is need, there are Lions. That is our strength and the inspiration for my presidential theme, "United in Kindness and Diversity."

This year, we will continue to safely serve our communities. Though we face many new challenges, we will respond as we always have—with kindness, commitment and innovation. I believe that when we serve together, we can unite our communities, and our world, to achieve a greater good for all.

I am honored to continue to serve another year as your International President. It will be my great privilege to stand together with you in service.

Regards,
Dr. Jung-Yul Choi
International President

United in Kindness and Diversity

Our kindness and our incredible diversity define us. And when 1.4 million Lions stand united in service, we can help carry our communities through these challenging times.

Watch a [special video message](#) from President Choi to learn how we will serve "United in Kindness and Diversity" this year. You can also visit his [theme page](#) to read his presidential program and watch his biography video to learn about his service journey and life as a Lion in South Korea.

We've Achieved Our LCI Forward Goal

We're celebrating the success of LCI Forward, our five-year strategic plan that set us on the path for our next century of service. We surpassed our goal of serving 200 million people per year, and so much more!

Join us as we [celebrate our success](#) with a [special video](#), [service infographic](#), and [LCI Forward Celebration publication](#) highlighting our achievements. And make sure you share the video and infographic on social media so your community can join the celebration too.

Kindness Matters Service Award

It takes a lot of great service projects to serve more than 275 million people like we did last year. And now your club has the opportunity to be recognized for an outstanding project in one of our global causes that you accomplished last year through the new Kindness Matters Service Award.

Visit the [Kindness Matters Service Award](#) page to learn how your club can be recognized. Nominations are now open, so work with your Club Service Chairperson to have your club nominated to receive the recognition it deserves.

We Start Our Third Year

Campaign 100: LCIF Empowering Service enters its third and what was scheduled to be the final year of a massive campaign to literally double the service provided for the Lions Cubs International Foundation. Most of you know that the campaign has been expanded to June 30, 2022 because of the changing world.

It is truly because of that changing world that we need to support our Foundation more than ever.

Individuals and clubs now have two more years to reach personal and clubs goals. Becoming a model club, a 100 club is still possible. Yes it is a challenge but Lions are known to answer challenges.

So consider some goals:

Becoming a Model Club

Becoming a Club 100

Adding a personal donation goal

Reaching 100% member giving for the club

Making your district 100% in club giving

Adding a fund raising event exclusively for Campaign 100

We know that it is not easy, but as a close friend has often told me, "If it was easy anybody could do it."

Let's do it.

Contact Lions Clubs International to donate, or contact your District Chair and let's change the world only as Lions know how.

Join Us As We Move Into Year 3 of Campaign 100

We have some preliminary numbers for the 2019-2020 year in Multiple District 1. With a 38% club participation, Illinois raised \$205,848. Illinois has 10 model clubs, 5 have made a commitment filing the proper form, and 5 are meeting the financial commitment and need to file the form. 9 grants were awarded in Illinois this past year totaling \$312,826. We know that once again, Multiple District 1 has responded to the needs around the world. Everything from natural disasters, to battling the COVID-19. Clubs receiving Lions Clubs International Foundation grants have responded to hunger, battling the insidious disease of diabetes, along with COVID-19 and childhood cancer among others.

Consider how much more we could do with 100% participation this coming Lions year as we begin our third year of the Campaign. World wide we are about half way to our goal, and we ask you to consider participating during this coming year. New leadership will be planning their Lions year all over the State of Illinois. Plan some club effort towards the Campaign 100 objectives. Reach out to your district LCIF Chair, meet with them either electronically or in person, naturally with the proper protection we are living with under the circumstances.

If you would like the most up-to-date information on LCIF's response to COVID-19 visit our designated page <https://bit.ly/2Ulrbnbc> to learn more about LCIF's response, how to apply for a grant and how to support LCIF's efforts. Grants must affect at least 100 individuals.

Please join us in supporting the campaign. Contact your District Chair.

James “Jim” Addington

WESTMONT - Westmont Trustee and former mayor James Addington died July 18 at Good Samaritan Hospital. He was 75.

“Jim was a friend and mentor to me,” Westmont Mayor Ron Gunter said in a statement. “Jim taught me so much about being a community servant. I met Jim when I joined the Lions Club, and then co-chaired the old Pow Wow Days festivals with him. He was completely dedicated to the community.

“He was always eager to talk to people and find out what they wanted so that he could help. Jim loved Westmont and was absolutely dedicated to the community. Even this past Thursday he participated in our village board meeting via teleconference from his hospital bed. He was a great friend and will be greatly missed.”

“The village of Westmont has lost a great friend,” wrote Village Manager Steve May, sharing the news with village staff. “Our deepest condolences are extended to his family at this difficult time as well as the community. His knowledge and mentorship will be sorely missed.”

Addington moved to Westmont in 1968 and quickly became involved in the community. He worked at Bank of Westmont and remained in the banking industry for 48 years before his retirement.

Addington was a village trustee from 1985 to 1993 when he was elected mayor, a position he held until 1997. He was elected to the village board again in 2013.

Addington was involved in the community in a variety of ways over five decades.

He served as mayor during the village's 75th anniversary celebration in 1996. He and his wife Cathy led the creation of a number of

new events and activities for the anniversary, which continue on today, including the Taste of Westmont and the Community Garage Sales.

Addington created the village board committees, which were designed to improve communication between residents, staff and elected officials. He led by example and felt that volunteerism was extremely important.

He was a member of the Economic Development Commission, Police Pension Board and the Police and Fire Commission. He was chairman of Community Development Committee and co-chairman of Economic Development Committee.

Addington was a Lions Club member and served as a president and district governor for the organization. He also was a member of the Knights of Columbus and the Habitat for Humanity board.

He was considered by many as the No. 1 fan of the Westmont High School boys basketball team, the release stated.

"Jim was a true public servant," Ray Botch, who served as village manager from 1985 to 2004, said in a statement. "He and I worked as a great team for a number of years, and resulted in numerous landmark projects that still benefit Westmont today, including the new village hall, Westmont Centre, the downtown Westmont Centre Plaza and fountain, the downtown streetscape and lamps, and the creation of Westmont Main Street."

Botch said that he and Addington were very close friends and thought of each other "like brothers." They remained close and would get together at least twice a year to meet and catch up.

"Jim is the reason we have paramedic service in Westmont," Botch said. "Jim led this initiative and brought the proposal through fruition. He always had ideas for how to improve Westmont. Jim's influence on Westmont will continue for decades."

Addington was preceded in death by his wife Cathy. He is survived by his son Jimmy; daughter-in-law Genie; and their daughters Samantha and Chloe; and his daughter Lisa Alles, son-in-law Brian, and their daughters Kristen and Carolyn.

In particular, this summer they are delivering food to those in need and providing a virtual opportunity for children to learn to cook. We voted at our meeting in June to provide them with some financial support and received the attached thank-you note.

Plastic Bottle Caps to Benches

Approximately three years ago the Genoa Lions Club started a plastic lid recycling project with the initial goal to obtain a park bench made from the recycled plastic while keeping the caps out of landfills. A park bench could be purchased outright, or at a reduced cost of \$250 for every 200 pounds of plastic collected. Working with Green Tree Plastics of Evansville, Indiana the caps would be melted down and formed into a bench. After clarification of the project requirements, it was discovered that the project needed a children's group involvement to qualify for the reduced pricing. The local Cub and Boy Scout troops accepted the invitation to participate. Caps were collected using bins set around town in hopes of getting enough. They came in from members as well as extended family from many nearby towns to Genoa, as well as several other states, a few from California, South Dakota and Florida. Many hours were spent packaging caps for the bench and without a permanent spot to store the caps until delivery, many Lions members had hundreds of pounds of caps in boxes and bags in their garages and basements. The project collected over 1100 pounds of caps giving all involved a better idea and

understanding of how much waste is placed in the landfills!

The Lions, local Cub and Boy Scouts and their family members worked to gather, sort, clean, and box up all the caps. Sponsors stepped in to help cover the discounted cost for purchasing five six-foot benches which will be placed throughout the community. The Genoa Lions would like to thank the Scouts, leaders, and their families for their assistance. We would also like to thank our fellow bench sponsors: The Dreska Family; the Genoa Park District; and Mike Crestsinger from Genoa Motors Auto Sales.
