# Happy Holidays

## Thoughts from the Council Chairperson:

Hello Lions and Leos of MD-1. I hope you are all healthy and well.

I hope you all had a safe and Happy Thanksgiving holiday!! I know many families – ours included – celebrated in a different fashion this year. We gathered virtually using tools like Zoom and Skype versus the traditional in-person gathering. While this was different, we were still able to highlight the many things we are thankful for. I can tell you I am thankful for being a part of this great organization – the largest service organization in the world. The Lions help so many people and impact lives for the

better. We can all be proud to be a Lion!!

Our next Council of Governors Meeting is scheduled for December 5th. It was originally scheduled to be at the Abraham Lincoln Hotel in Springfield but due to the latest flair up of the COVID-19 virus and new mitigation measures we have changed it to a virtual meeting. I know we are all disappointed we can't be together and share in some fellowship in-person. Hopefully we can get past this crisis and it will be possible to be together again very soon.

In mid-November I had the opportunity to participate in the VGETs training class for the First Vice District Governors. What I observed is a group of dedicated Lions that are stepping up to prepare to lead our organization in the coming year. They spent 2 days going over a lot of material that will help them be ready when their year starts. I know they are going to do a great job next year!!

I also want to commend Lion Jama Wahl and PID Bud Wahl for all their hard work in facilitating the classes for both the FVDGs and the SVDGs. They had to manage training on a variety of topics that encompassed around 24 hours of training time total. Our state could never thank them enough for all they do for us!!

If your club is not meeting at all, please consider using a free version of Zoom to at least get your club together to talk. If Zoom is not your cup of tea check out FreeConferenceCall.com as an option. You can check on how our members are doing and discuss things your club can be doing to help people in the current environment.

Anne and I want to wish everyone a happy holiday season – no matter which holiday you celebrate. In closing I want to thank you for all you are doing to serve your communities. Thank you for reading.

**MD-1 Council Chairperson Joe Vinyard**

**[jvinyard1@comcast.net](mailto:jvinyard1@comcast.net)**

**FROM GLOBAL LEADERSHIP CHAIR:**

Typically, during the holiday season, Lions are extremely busy providing for those in need in their communities. Gifts are given to children. Food baskets are shared. Meals are prepped. Bells are rung for community causes. Lions are doing what we do...SERVE.

With COVID, this year is different. Some clubs are not even meeting. Others are meeting virtually. Still others are meeting, but following social distancing guidelines. Fundraisers have been limited. The reality however, is that those community needs are still there

and may actually be intensified this year due to the pandemic.

So, what is a Lion or a Lions Club to do?

- Connect with club members virtually through Zoom or a similar platform, a conference call or even a phone call
- Adapt your current fundraisers to make the event safe
- Adapt a current service project to make the event safe
- Scale the project back to something manageable or tweak it to be something new
- Partner with other community organizations

As an example, the Hardscrabble Lions of Streator have annually delivered 20 food baskets for Thanksgiving. To adapt this year,

the shopping was completed by one family. (Thank you Lion Nicole, Chad, Addy and Dax). Instead of the entire club meeting to fill the baskets, a select small group will be filling the baskets. Those who wanted to make a personal donation of food dropped off the items prior to the basket prep. A no contact delivery will be made using a phone call to the family as well as gloves and masks. Did it take a bit more for Lion Patty to organize the event as the project chair? Yes! And for that, our club is very grateful which seems especially appropriate for this holiday season.

Your club can do it, too. Adapt, grow, change and continue to meet needs even during these difficult times! [jamawahl@yahoo.com](mailto:jamawahl@yahoo.com)

## Re-Motivate our Members!!

PCC Darren Van Duyn – MD-1 NAMI Champion  
[lionslead68@yahoo.com](mailto:lionslead68@yahoo.com)

One of the focus goals of the North American Membership Initiative is for us to look at our members that

we currently have and ask, “are we providing what they were expecting? Why are members not attending meetings? Are the

projects that we are currently doing, and have done for the past 25 years still relevant to the community we serve and meaningful to the members that are in our club?" In this article we will take a look at some resources that may help you identify the answers to the questions that were just posed. We will look at where to find them and how to implement them.

Do we ever go to our members and ask them if what we are doing as a club meets their expectations of Lions Clubs International and the community service that Lions provide? If not, we need to. This can be done by a mere conversation with Lions new and seasoned. Or, Lions Clubs International has made available to you at the club level a Member Satisfaction guide which will also include a survey that you would ask all of your members to take. This

will answer a lot of questions, if answered truthfully, about where your club is and where they need to go to keep your existing members happy and engaged in the cause. This guide can be found in the North American Membership Initiative Resources page on the [www.lionsclubs.org](http://www.lionsclubs.org) website.

In my club we improved the attendance at our meetings just merely by changing the day and location that we have met for years. It seemed that the day that worked several years back for members wasn't the same days that worked now for our existing members. Take a look at that and see if this could help your club. Also in the Resources page of LCI website is the Your Club Your Way. This gives us a way of maybe changing up our meetings to make them more enticing to club members to attend. Do you have a meal? Do you have guest speakers? If yes, are these the reasons that they don't attend? I would say the food part is not an issue, but if we are using guest speakers at our club meetings are they interesting to all

and able to engage your Lions to think outside of the box and serve in other ways. Having a speaker just to fill time and on topics that may not be relevant to what we do as Lions may just be the thing that is keeping members away from meetings. Our members' time is precious and we have to make our meetings worth their time to come out for that hour, hour and half a couple of times a month, or in some cases every week. Your Club Your Way may help with that. Give it a look.

Lastly, lets take a look at the projects that we are doing as a club. Do we do a lot of service projects or do we mainly fundraise? Not that fundraising is a bad thing, we need that to be able to do most of the service that we do. However, we have to follow our motto of We Serve and provide service to our communities as well. Just like before, on the resources page of the North American Membership page your will find a multitude of resources that pertain to service. Whether it is ideas for new service projects or ways that we can poll

the community leaders to see if the service projects that we have been providing are still relevant to the community. I have used the Community Needs Assessment in my community and we discovered new areas to serve that we would not have known about had we not asked. This may be a kickstart to re-motivating your members to do something new and exciting in your community.

In the coming months you will be hearing less of the North American Membership Initiative as the name is changing. While the focus will be the same the name will be different. We will now be know as the Global Membership Initiative. 2nd VP Brian Sheehan renamed this as the program has now gone globally to assist those that are struggling with membership and leadership resources around the world. Please do your part and ASK someone to join your club at the start of the new year and help you help your community and those around the world. I would also like to take this time to wish you all a safe and Happy Holiday

Season. May you all enjoy your friends and families and think of those that are less fortunate in the

world around us. Stay safe, stay kind, stay healthy!!!!

## Membership Moments

*By MD-1 GMT Barb Stewart*

Like most of 2020 has been, our membership is a bit like a roller coaster ride: up and down.

Although I do not like to refer to our Lions in terms of a number that is the only true measurement we have to know how we are doing with our membership as a whole. Here are where the current numbers are at in each District:

DISTRICT	MEMBERSHIP AS OF NOV. 25, 2020	YTD MEMBERSHIP NET GROWTH/LOSS	3 YEAR NEW MEMBER RETENTION RATE
1-A	1721	+11	81%
1-BK	1811	-31	66%
1-CN	971	+2	70%
1-CS	643	-14	67%
1-D	1625	-20	40%
1-F	883	-16	83%
1-G	826	-11	69%
1-H	927	-16	67%
1-J	2107	-14	67%
1-M	1483	-13	86%
<b>MD-1</b>	<b>12,997</b>	<b>-122</b>	<b>67%</b>

Added in this reporting is the 3 year new member retention rate which is simply looking at the percentage of new Lions that

continue their membership after 3 years. Please note that these percentages have also been a bit of roller coaster but seem to be

improving since we put more of an emphasis on retention of our Lions. All of these numbers are frequently shared with your District Governors and many of our other Lions' leaders but they are not solely responsible for finding and maintaining our membership so it's important that they are shared occasionally with you as well.

Please note that these numbers change rapidly so although it's important to keep track of where we are at, we shouldn't get too wrapped up in current numbers but rather keep our eye on our goals and working towards meeting them.

District 1-A and 1-J are both currently working on a new Lions Club (the 2nd for 1-A and 1st for 1-J). Almost all of our Districts are well into the process of starting at least a Lions Club or Branch Club and a Leo Club. To date within MD-1, we have lost 1 Lions Club with another 2 Lions Clubs also slated to disband. There is still great hope in the second half of

our year that all Districts will do great things with their membership growth but we need YOU to help! It is imperative for every Lion to look for new Lions. This may seem very difficult during these times but it really isn't. Take advantage of our stay at home orders and lack of other activities to keep us busy and spend some of that time reaching out for members! It is as simple as taking a look around you as this is where you will find Lions. Look at your contacts in your phone/ address book or your email list as well as your friends, family, neighbors, and those that belong to the same church or other groups you belong to. Make a list and then start asking. A prospective Lion may ask why they should join so be sure to share what Lions has meant to you and what activities your Lions Club participate in and what those activities has done for your community. Perhaps your Club may even want to "advertise" all of these things – both fundraisers/money donated as well as your service projects. This may be a

great way to bring attention to your Club within your Community when you may be limited on the things you can do.

Once you find a new Lion and they join, you become their Sponsor. Incidentally, you can sponsor a Lion into ANY Lions Club so if you have someone you know in another community, State or even Country, still ask! If you need assistance in finding them a Club, reach out as you have many resources (your District Membership Team or LCI) to help you find a Club. Once you get a new Lion, help them complete a new member orientation session and then be sure to keep them involved. Be sure to get your new Lion involved right away and ask them to serve on a committee. Reach out to them and let them know what is happening within your Club. Don't assume that a long standing, well known service project within your community is something that the new Lion is completely familiar with. Explain everything to them

from Lions traditions to how a fundraiser is set up. It is better to communicate something twice instead of not at all! Be sure in these conversations to listen to that new Lion. They very well may have something to add to your service project, fundraiser or Club! If the new Lions should give input, use it or explain why it can't be used (after trying every possibility to use the idea). New Lions are a great resource as another pair of hands to get our projects done but they should also have a voice.

Covid doesn't need to end our service. It just changes the way we formerly did things a bit. In this newsletter is a list of 100 Service Projects. Some of these may need to be tweaked to fit our Covid restrictions but we are Lions – we are creative and we let nothing stop us from meeting our goals!

Let's see what we can accomplish in the rest of our Lions' year!

**THANK YOU FOR YOUR SERVICE!**

# Those of us who are so fortunate...

Should remember people who are hungry

Should remember people who are suffering from vision impairments

Should remember people who are being bullied

Should remember people suffering from diabetes

Should remember children with cancer

Should remember people who have died from measles

Should remember people who may suffer water shortage

Should remember people who have experienced weather related disaster

and

Should remember people and families who have been devastated by COVID-19

One of the best ways to reach out to this suffering is with Lions Clubs International Foundation. Lions members through Campaign 100: LCIF Empowering Service are doing just that by seeking to virtually double the amount of people helped each year by our Foundation. Your district chairs are asking you to join them in this fantastic campaign.

You can do this by donating at [lionsclubs.org/en/donate](https://lionsclubs.org/en/donate). You can also TEXT LCIF 243-725. Or contacting your district Chairperson:

### **Lions Clubs across North America are surviving Covid Chaos**

A recent email from PID Jerome Thompson of the Lions Global Action Team reports on a survey conducted of Lions clubs and their activities during the pandemic.

25-35% of our clubs are not meeting

The clubs that are meeting are learning to meet via Zoom, or a similar platform

Clubs are continuing to serve

Even with only 65-75% of clubs meeting, we have invited almost as many Lions to join our clubs as we did last year. (just think what we could do if everyone were meeting and inviting)

Service reporting is hampered by

the software and lack of training on how to use the software

Most club officers have not been provided adequate training to feel comfortable with their responsibilities.

### **PDG Lion Charlie Williams Passes**

I feel that this is one passing Lion that I am qualified to chime in on, PDG Lion Charles "Charlie" Williams. 1992-1993. He was your Editor's hubby for 59+ years and was 88 years old when he passed away in the evening of November 05, 2020. No, no one probably believes he was that old as he never acted his age!! Despite his dementia diagnosis in early 2016, he was doing well. Since mid-March, our daughter & I called him at Tabor Hills Healthcare every day on the phone and chatted with him. He always thanked us for calling and it made our calls worthwhile. On October 14, we got a call from Tabor Hills saying his COVID test had come back POSITIVE. A couple of days later, we got a call saying he was being transferred to Edwards Hospital. He was there 10 days; the nurses always helpful in

updating us on his condition. We only got to actually talk to him the last day he was there and he sounded fairly weak. He then spent 9 days at Tabor Hills when we finally were able to have a video call with him. His eyes opened many times, so we knew he was there still. We had two more video calls before he passed away. Lion Sandy read articles that said "Keep talking to your loved ones!!" as hearing is the last sense to go and we won't regret that we did. Hate to have lost him to COVID, but glad for all of us to have escaped the sad final stages of dementia. RIP, Honey.

**-From his beloved wife.**

**Thornton Lions Club** celebrated it's 70<sup>th</sup> Anniversary with a dinner meeting on November12, 2020. Among those attendees were

International Director Bob Block,

LIF Trustee Steve Anton, IVDG Gail Anton, II VDG Tony Zartler, IPDG Joni McMillan, hus husband PCC Dennis McMillan and Zone Chair Larry Williams. PDG Howard Swacker, a Thornton Lion also attended.

Thorton Lions awarded Melvin Jones Fellowship to Lions Robert Opilka and Hunter Fisher and inducted three new members Jeff McLean, Josh Griffith and Nick T. Giroux.

**Oregon's Lions** Annual Autumn on

Parade Festival was cancelled this year due to the pandemic, but Oregon Lions found a way to sell their popular pork chop sandwiches to the community.

Oregon Lions organized a drive-through pork chop sandwich sale at Super Valu Parking Lot on Saturday,

October 3rd, sold 600 sandwiches to many satisfied customers.

**Freeport Lions** members completed our 3rd litter pick up on September 30th for the City of Freeport Adopt-A-Street program. Our club covers from Route 26 (West St) west to Crestwood St by McDonald's. This was a great effort

by club members and in 2021 the city will place a sign along this stretch recognizing our club for continued hard work and dedication. Already looking forward to our first 2021 pick up!

purchasing canned goods to give out, making money the preferred donation at this time. Brats and Hot Dogs be served with a "Donations" only available. Let's honor our Veterans was our theme!

**The Amboy Lions Club** added some fun to the Central School's Fourth Grade Class daily routine with a pumpkin decorating contest. Lion Jim Travi harvested and delivered pumpkins for each fourth grade student at Central School. The pumpkins were donated by Country Kids Produce in Peru, IL. The fourth grade teachers and the Central School art teacher worked

with the students to help them create ideas and then decorate their pumpkins.

Once completed, the classes voted

by bringing some fun and enjoyment to our area students. The Club started the Pumpkin Decorating Contest in 2019 with the fourth grade classes and hope to continue this activity yearly.

In other Club news, the annual Draw Down in September was a huge success under the leadership of Lion President Dave Kemp. This year the Draw Down had to be virtual due to the pandemic. The objective of this Draw Down was to help stimulate local businesses in a small way and to raise funds for the 2021 Amboy High School scholarships.

Each ticket purchased gave the purchaser a \$30.00 gift certificate to be used at an Amboy or Sublette business establishment. The \$30 certificates were purchased by the Club from the Draw Down

This is one of many ways that the Amboy Lions serve the community

proceeds. As in the past, all ticket purchasers were eligible to win the \$2,000 grand prize. This year's winner was Mr. and Mrs. Larry Eisenberg of Amboy to brighten up the Amboy Welcome signs after the faded summer blooms were removed, Lion Jim Travi secured donations for various fall harvest decorations.

Autumn decorations were donated by Rick and Debbie Cardot (pumpkins, broom grass, Indian corn), Willis family (pampas grass), and hay bales from Dan & Mary Schetrompf.

The Amboy Lions wish everyone a safe and enjoyable Holiday Season.

### **The Dixon Noon Lions Club** held

a drive through trick-or-treat on October 31st at Page Park in

Dixon. This event was held instead of the annual Halloween Parade and costume contest that the club has been sponsoring and organizing since 1943. Due to the ongoing pandemic, the parade and costume contest would not have been in accordance with the covid-19 resurgence guidelines the Lee County area is under. The drive through trick-or-treat was well attended and appreciated by the children and parents and driving through to receive a bag of candy.

## New Program Launch for Young Adults: TOM Talks

Leader Dogs is launching a free virtual seminar for people who are 18 – 24 years old, legally blind or visually impaired, and from the U.S. and Canada.

T.O.M. Talks focuses on three areas of importance for people who are blind: Technology, Orientation and Mobility. The seminar is free and will be held January 17-30, 2021.

Participants will develop skills needed to thrive in their career including increased independent travel, professional readiness and networking. A variety of experts from Leader Dogs for the Blind will present including guide dog mobility instructors and orientation & mobility specialists.

"People in the 18-24 age group tend to have very busy schedules," said Lion Erica Ihrke, Leader Dog's manager of extended services, "so we designed this program to be partially self-guided and partially live. Our goal is for everyone to be able to achieve success." There are four required live ZOOM sessions and two optional weekend sessions. The self-guided portion of the curriculum includes videos and activities supported with materials sent prior to the T.O.M. Talks.

To apply for T.O.M. Talks go to [www.leaderdog.org/programs/tom-talks/](https://www.leaderdog.org/programs/tom-talks/). Applications are due by 5:00 pm (EST) on Monday, December 12, 2020.

collected money for two months for the club and two other local civic organizations. With the money collected, Jewel donated turkey dinners with all the sides to each organization. This was a bonus to our Thanksgiving food delivery as we were only planning to deliver gift cards. Families really appreciated the dinner along with a gift card. Another fundraising

**Frankfort** is staying active as much as possible. Up until now, they were meeting in person for board meetings and both in-person and via Zoom for general meetings. The club has been fundraising as much as possible as well. Their local Jewel

opportunity for the club is that they have a member that works for Paypal who offers a corporate match up to \$2,500.00. They are raising money internally for that match (they are certain they will

reach their goal). The club is coordinating a December collection at Jewel, Dunkin Donuts, and the local BP so they can purchase gift cards for a Christmas delivery for local families in need. As well, they are partnering with the Chamber and a local business through a Tree Giving program. That event will take some coordination and requires a lot of effort on the club's part. They are hopeful that it will be

a success. The club has also collected coats for those in need. Lastly, one of our members started a Go Fund Me page to supplement the lost revenue from Wurst Fest. This is an ongoing initiative and will help increase revenue for our charities fund. Pictured here are pictures from Candy Day, the coat collection and delivering Turkey dinners and gift cards to those in need in their community.

**Morris Lions Club** recently helped We Care distribute food for Thanksgiving meals for over 80 families. This food donation has

been a tradition for Morris Lions for over 20 years, but this year it became even more important. Eric Fisher of We Care explained that local food needs have increased during the pandemic. Fisher explained that We Care also has received many new requests for assistance with rent and utilities, so monetary donations are greatly appreciated to enable them to help local residents. The food provided included the traditional turkey plus sides and more food for the holidays. We Care staff Eric Fisher,

Lori Sandgren, and Wendy Easson were assisted by Morris Lions Larry and Joanne Johnson, and Alan and Judy Miller. The Lions program is coordinated by Lion George Roebuck, who also works with We Care for a Christmas Food and Gift program. Local residents are encouraged to make holiday donations to the Salvation Army through local stores, as the proceeds from those donations will stay with Morris We Care to help our residents, and the traditional bell ringing will not be possible this year.

**St. Jacob Lions' Second Annual District Spooktacular Walk For Sight** at the Saint Jacob Park was a huge success! The event had over 600 walkers "tricker or treaters" in attendance! A strong action plan for safety allowed for covid friendly outdoor activities. The event offered safe family fun games, hay rides, scarecrow invasion, live band "Wicked MoJo", DJ Papa G, trick or treating, shopping, food, raffles, 50/50, photo opportunities, pet parade, and pet contest!
