MD1 e-Magazine (Full) Vol. 5 - Issue 8, February 2018

## From MD1 Council Chair:

Greetings MD1 Lions!

Happy February, Lions.

We're coming into some very exciting months with District Conventions starting soon and our State Convention right around the corner. I look forward to attending your conventions and sharing the fun.

The State Pin Design Contest will be held at the February 10, 2018 Council meeting in East Peoria, where the Governors will vote on a winner. All Lions can take part in this contest. If you have a submission, please give it to your District Governor, if you will not be in attendance.

International Peace Poster Contest winners will be notified by February 1, 2018. *Good Luck* to student artist, Laney Dearmas, from New Athens in District 1CS (Laney draw above picture for contest.)

How are your clubs satisfying the Centennial Challenges during these last months? From what I can tell, MD-1 Lions are serving at an all-time high! Don't forget to report your awesome service!

**Saturday, March 24, 2018 - Lions Day at the United Nations in New York (LDUN).** This is the 40<sup>th</sup> annual LDUN. The theme for this year's event is "**Working Together Globally to Combat Diabetes**". Join Lions, Leos, UN diplomats, and dignitaries working together to assess various challenges facing our global communities. Register online at: lionsclubs.org and search LDUN. I had the privilege of attending last year. What a positive, exciting experience- especially meeting in the General Assembly Hall.

**LCI Forward - check it out, and let's go forward...**

**DELIGHT THE MEMBER**

**PURSUE FRONTIERS OF SERVICE**

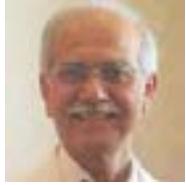

**BE THE BEST ASSOCIATION**

**SHINE A NEW SPOTLIGHT**

March is *Eye Donor Awareness* month. Let's start now...consider becoming a donor.

## It is time to Celebrate!

Soon all Districts in Multiple District 1 will be busy celebrating their Annual District Conventions. There will also be awards and rewards to those who made their Districts to reach Governor's goals. Some lions will be happy and some will be sad because they did not receive recognition.

We are all human beings and it is quite natural to get sad or mad. If there is no limit for giving International Awards, governor would give awards to Tom, Dick and Harry. It is not the case as LCI have very limited awards to be given away during District or State conventions. Let us all lions and leos keep in mind – we should work in lionism to help less fortunate and not for awards and rewards. When you receive a smile or thank you, it is the greatest award you can receive for serving your community as a lion.

Other than attending hour own district's convention, make an attempt to attend neighboring district's convention too. You will gain more knowledge and experience by doing that and also will have fellowship with new lions.

And now – even though we have several lions clubs in Multiple District 1, very few clubs take some time to send pictures and news items to MD1 Monthly e-magazine. Do we have to keep best secret by not publicizing what, where, why and how we do things in our clubs? Lions are always looking for new ideas and when we publish our club activities others can also take a challenge to do the same thing or little better with new ideas in their clubs. Many clubs totally failed to report their club service activities on myLCI. Come on Lions, send them in.

Jim's work here is done. It came to an end on Dec. 7, 2017. He received a call, a sort of job offer he couldn't refuse, for an appointment from which he will not be returning. The job description comes with a large sign-on bonus, a reunion with his parents and eight brothers and sisters who have gone on before him. His new mission takes him to a delightful place where he can socialize with everyone (which was so like him), relax, and perhaps travel. Music, laughter, and love are guaranteed. Food is delicious and he won't gain a pound. His sarcastic wit and many jokes will be understood and appreciated. He left detailed instructions for his wife, four children, and six grandchildren to celebrate his life here, which has now been completed.

Born in 1940, Jim grew up in La Salle, completed his bachelor's and master's degree at Illinois State University and worked on his doctorate at Arizona State. He taught industrial technology at Lyle West High, and La Salle-Peru High before coming to Western Illinois University where he taught metallurgy, computer plotter drafting, and electrical methodology.

Jim left teaching to form his home construction company which built homes from the ground up and remodeled many homes in the area. After 17 years of this labor-intensive job, he became a real estate

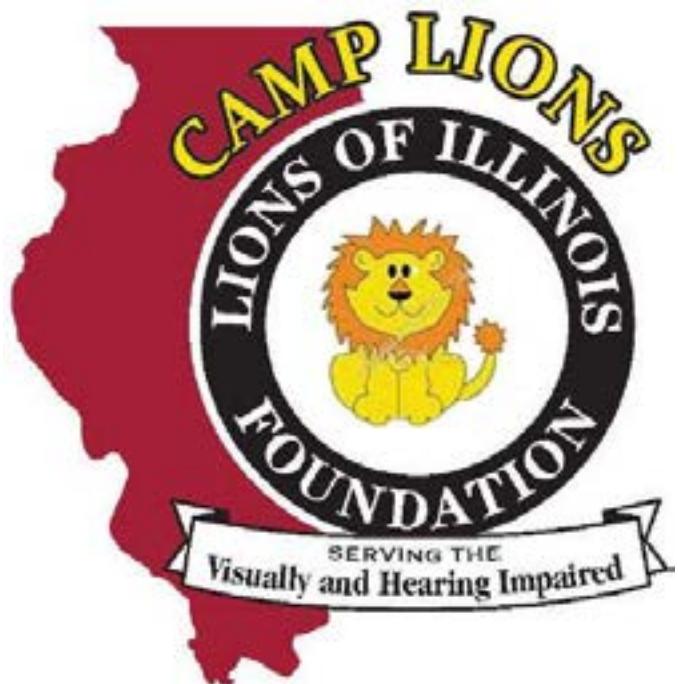

appraiser and inspector, having a real estate license already. Retirement was enjoyed for too short a time.

There would not be a complete picture of Jim without mentioning his love of service. He chose two avenues of service: his love of God led him to serve with the Knights of Columbus, achieving the fourth degree. He worked many hours at food events and charitable activities. In the last 15-plus years he turned to the Macomb Lions Club where he enjoyed serving the local community. He worked his way to becoming the District Governor of District 1-H during the 2010-2011 year. His final gift was a personal donation to the eye bank and tissue bank of Illinois.

#### CAMP LIONS SPONSORSHIP OPPORTUNITY:

We have an opportunity this year for Clubs to sponsor our T-Shirts, Backpacks and water bottles.

Each of these items are very essential to each camper. We have also added an additional “drone

camp” for the week of July 1<sup>st</sup>(details will follow).

**Is there a club in your district that you think would be interested in sponsoring one or all three pieces and having their club name printed on all 275 items.**

- **The backpacks** can hold their sunscreen, towels, hearing aid essentials, eyeglasses. It is approximately ½ a mile that a camper needs to walk to participate in swimming, dining, and various activities. The small zipper pouch can hold smaller items so they do not get lost.

- **The water bottle** will keep them hydrated and also can be stored in their backpack.

- **Camp Lions T-shirt** is a tradition that the campers look forward to each year wear proudly, price includes counselors shirts.

**Right now we are looking to have one club sponsor each or all item(s).**

**WATER BOTTLES: \$500 for 275** Water Bottles. Bottles are yellow with purple tops and are printed on both sides our logo in black on one side and the club name on the other side.

**BACKPACKS:\$1,050 for 275 BACKPACKS.** Backpacks are nylon with reinforced corners and a zipper pouch to hold hearing aid devices, glasses and smaller items. Our logo printed in black and sponsor name under the logo.

**T-SHIRTS: \$1,600 for 275 T-shirts.** T-shirts are 50/50 blend with our logo printed in 5 colors on the front and the sponsor name on the back. (see attached logo) price includes counselor's shirts.

What a great morning for the **Pekin Lion's Club** Christmas basket distribution! Things started off a bit rocky, but we don't cry over spilled milk and got to work, then the rest went smoothly! It's such a great feeling to see families so appreciative of the help we give, at a time when finances can be even more strained than usual. I love being a part of this club. Despite the cold and hard work, everyone had a smile or laugh to share.

#### AVON LIONS CLUB ACTIVITY:

On Thursday evening, December 21, members of the **Avon Lions Club** were blessed with beautiful 40 degree weather as they delivered Christmas food baskets to ten families in Avon. Partnering with the Avon United Methodist Church, Avon Girls Scouts and the Tompkins State Bank of Avon, the Avon Lions provided funding and purchased non perishable food items and paper products to compliment the canned goods gathered by the other partners and delivered forty boxes of food and paper products to the families. The families also received a \$30 grocery gift card to help buy perishable food they needed. Everyone involved in the project was happy knowing they helped these families to have an opportunity to have a Merry Christmas.

The signs will increase our visibility to citizens of New Athens along with anyone passing by on the Highway. The

Hunger campaign. The Club's Christmas party was held; members, along with a guest/spouse, widows of previous members and local residents who are non-members of club who had helped at fundraisers

throughout the year, participated. All attendees enjoyed an evening of appetizers, dinner, gift exchange, and entertainment. The New Athens Cub Scouts collected plastic lids for a bench. The New Athens Lions Club, bearing the costs, then transported the caps to an Indiana bench

Have you ever wondered why the **Genoa Lions** are the ticket-takers at Genoa-Kingston High School Football Games? Do they have too much free time? Do they get to watch the games for free? Do they get paid by the School District? The answers to these questions are: No, Lions are just as busy as anybody else that lives in Genoa. No, we cannot see the football game from the gate where we are stationed, and Yes the Lions get paid to work the gate but, donate all of that pay back to the Athletic Department at the end of the season. So you see the Genoa Lions donate their time and efforts to the High School so that the school district won't have to pay staff to work the gate during the football season. Especially a season as successful as 2017, being knocked out of the play-offs by Dixon, who placed first or second in the state.

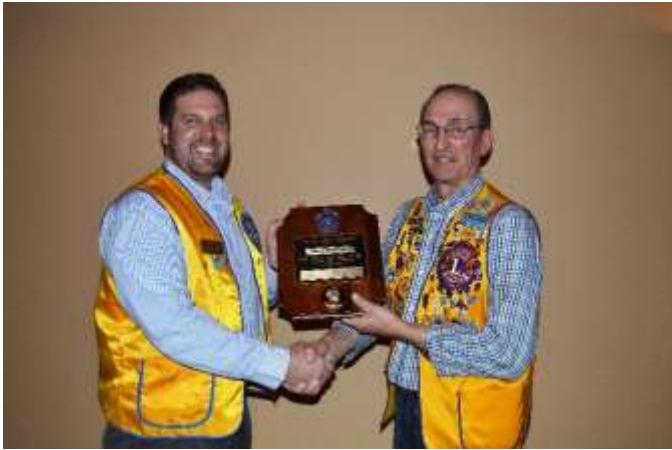

The Genoa Lions have been providing this service for decades and most recently Lions Chad Pacey and Jerry Helland have been organizing volunteers for the 4 regular home games and one play-off game this year. The tradition continues and the following Genoa Lions and their families donated their time

In his tenure he has served in most board positions including President and has regularly served in committee positions.

This award is named after Melvin Jones who, one hundred years ago, in 1917, started what is now Lions International. It is now the largest service organization in the world, with 46,000 clubs in every corner of the globe and 1.4 million members. This past year, over 100 million people benefited from the organizations Centennial Service Challenge!

**Below is the extract from Forest Park Mayor's letter to the President of The Forest Kala Sampath Lions Club:**

*"Thank you for your letter dated November 13<sup>th</sup>, 2017 in which you asked that Dunlop Avenue from Harrison Street to York be named in honor of Dr. Austin (Prabhu) D'Souza. I could not think of a better qualifier for this type of honor and it would be my pleasure to move forward with this presentation. I am, however, going to ask that we conduct this ceremony in the spring of 2018 due to the frigid temperatures in the Chicago region at this time of the year. Towards that end, I have asked my assistant to reach out to you early April to begin making formal arrangements for the event. In addition to the official unveiling of a street sign, I will also be drafting an official resolution to be adopted by the Village Council in this honor and I hope that his family and friends can be present for the meeting and the unveiling."*

Anthony Calderone, mayor of Forest Park recognized Dr. Austin's selfless dedicated social service to less fortunate to make their life a better place to live for tomorrow. His leadership is recognized all over the world

and recently he has been named as the "International Konkani Icon."
