## **U.S. & IL GOVERNMENT FILING RULES FOR LIONS CLUBS**

Government annual filings for Lions Clubs are important to keep current. Late filing penalties can be severe. If a club's officers have questions, please ask your cabinet officers who to contact in our district to help you through these tough rules. Also, we can have training sessions to review these financial matters with you in more detail than can be presented here.

Lions Clubs International (LCI) and its member clubs have received a group federal tax exemption 0239, under Internal Revenue Code § 501(c)(4). Each club is reported under this exemption by LCI.

Clubs must verify using the LCI website that the Federal Employer's Identification Number (FEIN) LCI uses for their club is the one that the club uses for its filings, and resolve any discrepancies.

All Lions Clubs are required to file the annual online Federal Form 990-N or Form 990 or 990-EZ Information Return or with the IRS.

Having previously registered as an IL charity, each club must also file an Annual Financial Report Form AG990-IL with the Office of the IL Attorney General

ATTN: Charitable Trust Bureau  
ANNUAL REPORT SECTION  
100 West Randolph Street , 3rd Floor  
Chicago, IL 60601  
312-814-2595

Clubs which are corporations will also file an annual report with the IL Secretary of State:

## **HISTORY OF LIONS INTERNATIONAL**

Lions Clubs International began in June 1917 when a 38-year old insurance agent named Melvin Jones presented to a group of separate business clubs the idea of consolidating the individual clubs into one strong, influential club with the goal of helping the community and serving humanity.

The Lions Motto is: "**WE SERVE**"

## **MISSION**

To empower volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs.

## **LIONS INTERNATIONAL PURPOSES**

## **LIONS CLUB INTERNATIONAL CODE OF ETHICS**

**TO SHOW** my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

**TO SEEK** success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

**TO REMEMBER** that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

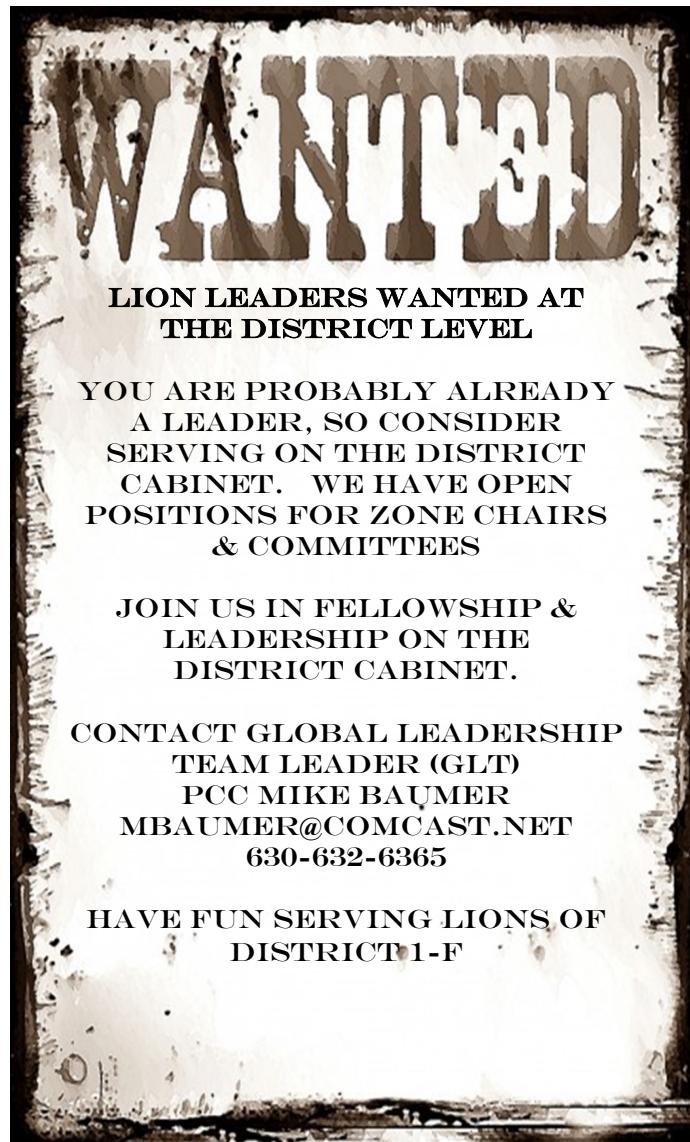

**WHENEVER** a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

**TO HOLD** friendship as an end not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

**ALWAYS** to bear in mind my obligations as a citizen to my nation, my state and my community, and to give them unswerving loyalty in word, act and deed. To give them freely of my time, labor, and means.

**TO AID** others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

**TO BE CAREFUL** with my criticism and liberal with my praise; to build up and not to destroy.

## **“Jump Start” our Lions District & Clubs”**

After a period of time, you need to get your jumping cables hooked up to your battery and give it a refreshed “**charge**” of new life. Your Lions Club is the battery and Lions International and District IF is your source of this refreshed “**charge**”.

While your Club is “recharging”, like our Lion’s logo, let’s look back to our history of what has worked and not worked for us and take that into consideration when we recharge. Eventually we move forward with renewed initiative to make our Club better inside and out. Like the Lion’s logo, looking back, learn and look forward. Key club subjects like membership retention, new “active” membership, marketing locally, leadership training, etc. should be addressed.

As you are “**recharging**”, this is a perfect time to evaluate COVID-19’s impact and how it will change our lives and service. From how we greet each other, to what’s on your bucket list. The kind of change that’s occurred over a few months will change how we do things for years.

A sample of what’s coming:

- People will be increasingly be fixated on washing away deadly germs. Especially for older people, hand scrubbing, mask wearing, and hyper attention to surface disinfection will be the norm.
- The mail, your morning newspaper, dinner, and a movie...COVID-19 has put them all on the endangered list. Already reeling from online competition, more than 15,000 stores could close, according to retail research firm Coresight Research.
- A fear of people. It’s more than a concern about contagion. Our collective mindset is shifting on everything from stadium gatherings to our dream trips. Take me out to the crowd? Not now.

I’m not one to preach “gloom & doom” by any means, but do believe in future planning based on reality. As we all “**recharge**” let’s be prepared. How does this affect the current services and events we provide? By addressing people’s concerns, are we prepared?

As a District, through our Zone Chairs and Clubs, we’re all in this together. Emphasize “jump starting” your Club at zone meetings. One way, to do this is learning from each other. One fellow Club to another. What’s made certain Clubs more successful in certain areas than another? How are they addressing COVID-19? Based on the past, why a certain issue isn’t working with your Club. Other Clubs, got any ideas to help us get this working again? I believe we can learn a lot from one another.

Please don’t forget to use Lions Club International’s website. There are boundless resources on various topics like leadership training.

Concluding, I’ve learned how to make my Club better by experiencing other Clubs strong and weak points. As we start a new Lions fiscal year with a lot of new Club officers, it is a key time to “**Jump Start**” your club. We are all willing to help you. So, as we move forward and hook up our “jumping cables” to our District and Clubs to “**recharge**”.

I’ve been told that nobody reads the newsletter. I’d like to know you did. Please email me @ [tippert54@gmail.com](mailto:tippert54@gmail.com): “I read Jump Start in the District IF Cable News!

Thanks!
