Thoughts from the Council

Chairperson:

Hello Lions and Leos of MD-1. I hope you are all healthy and well.

The calendar is flipping to March which means spring is almost upon us. After a very cold and snowy February, I know we are all looking forward to being able to get outside some more. This will also present more opportunities for our clubs to provide more services to our communities.

You will be seeing the notice for the MD-1 State Convention very soon. The decision to hold this year's convention virtually was made after discussions with the host hotel.

They indicated that it was not likely that gatherings of more than 50 would be approved by the time the convention rolled around. We would need a limit about 5 times that amount to hold a state convention. While we will miss meeting all our Lions friends in-person this year we will make the best of the situation and put together a good convention for the Lions of Illinois.

I am excited to announce that the MD-1 Lions of Illinois now have a YouTube channel. Here is the link:

<https://www.youtube.com/channel/UCMzSWIXd1HUmPufbwUx8lpw>

So far, we have two recordings available for viewing: the "MD-1 Virtually Speaking Forum" and the "Why Pay Dues" video put together by PDG Lori Bennett. We will be adding more content over time, but this is another great way to share information with the Lions in our state and elsewhere.

The COG Meeting was held on February 27 via Zoom due to the restrictions on the size of in-person gatherings currently in-place. The Governors were able to complete the business of the Lions of Illinois and I want to thank them for all their efforts during what has been a challenging Lions year.

It is important for your club to stay in-touch with each other during this time. If your club is not meeting at all, please consider using a free version of Zoom to at least get your club together to talk. Another option is FreeConferenceCall.com.

In closing I want to thank you for all you are doing to serve your communities. Thank you for reading.

MD-1 Council Chairperson Joe Vinyard

FROM GLOBAL LEADERSHIP CHAIR:

The snow is easily three feet deep and has been for several weeks. We have faced the isolation and confusion of COVID for months. The vaccine is available for some, but not yet for all. It seems we are moving in the right direction with businesses reopening, but will that continue? Wearing masks and social distancing has become the norm. Many have been ill and many have lost loved ones and friends. Grief can seem insurmountable. Work and school have been flipped 180 degrees. To say the least, this past year has been a challenge. It has also been a learning experience. As Lion Leaders, what have we learned that could be applied to our clubs and communities? Maybe, this could be a discussion topic for

your next Lions meeting? Here are just a few thoughts.

- Isolation can lead to frustration which can lead to feelings of despair and depression. The darkness can be overwhelming. Reach out to family, friends and yes our club members. A phone call, text, FaceTime or zoom call can lift spirits.
- Visits can be made safely on one side of the window or door. Drive through and drop off works for businesses. Lions are in the service business. Service can be provided via drive through and drop off. We just need to think creatively.

• Families, schools, and health services need support. It is not business as usual. Lions can listen and support, we just need to be willing to do it differently if what we have done in the past does not work in these times.

• Communities are in need. Lions have been meeting community needs for over 100 years. We have expertise in this area. As Lion Leaders, now is the time to share that expertise.

Lions Clubs International Report

February 27, 2021

International Board of Directors

The International Board of Directors will again have a virtual meeting for their scheduled meeting in April.

The Board has not met in person since the fall of 2019. There has been a lot of virtual meetings that have covered items for both LCI and

our Foundation, LCIF. Your Directors are all looking to get together as soon as possible.

Even though we are not meeting in person, the Board has been active in moving our association forward.

Over the last month your Executive Officers and Board of Directors have been busy, virtually working on some of the concerns that are facing the Association in these times. There was an overall drop in the association membership earlier in the year, but it has been turned around to bring us back over the 1.4M members that we had a year ago.

Several decisions were forwarded to the Board from the Executive Officers for their approval. The following resolutions were passed unanimously. They are:

1. Charter and entrance fees are waived from January 1- June 30, 2021

2. No clubs in good standing on December 31, 2020 will be suspended or canceled through June 30,

2021 for late payment of dues. Full payment is required to be received before June 30, 2021 to avoid suspension or cancellation. Note that clubs that are placed on financial suspension on December

31, 2020 will remain on suspension until full balance is paid. Those clubs will still need to address their outstanding dues or make arrangements for repayment with the Accounts Receivable Department at LCI to avoid cancellation scheduled for March 31, 2021.

The Bridging Program for a Lioness Club to transition to a Lions Club will continue until June 30, 2021.

The Board is looking to keep the transition continuing and looks forward to having more Lioness Clubs become Lions Clubs. As part of their name, "Lioness" can be part of it - an example is "Our Town LionessLions Club".

International Convention - 2021

Due to the continuing concerns of the COVID-19 pandemic, the Board of Directors have voted to transition the 2021 International Convention in Montreal from in person to a virtual event. The event will be totally online from June 25-29, 2021. The following are some of the details that are available and after the Board Meeting in April there will

be more to follow. For now, they are:

- The 2021 Convention will be virtual and offered to all Lions and Leos around the world

- The registration fee will be US\$50.00 until March 31, 2021, then US\$75.00 beginning April 1, 2021.

The registration fee for Leos will be a flat US\$30.00. On-line registration is available.

- Lions that are currently registered for the convention will receive an email from LCI with additional information about their registrations.

- District Governors, District Governor elects and Past International Officers will be directly contacted by Lions Clubs International for their registration.

- There will be a virtual Parade of Nations. Information will be coming to the council chair to explain what needs to happen.

- The election of Executive Officers, International Directors, and the voting on Constitutional

Resolutions will be conducted electronically. More details will follow as to the procedures that will be followed.

- The convention updates and agenda will be posted on the LCICON website as they become available.

By now the District Governors, Governor-Elects and the Past International Officers should have received a registration form from Lions Clubs International. The Lions that had registered for the In Person Convention should have received a letter with the option to register for the virtual convention. For those who have not registered, the website is opening to do that now. Please remind your Lions that will be delegates, that they need to be registered for the virtual convention.

The delegate count per club is still 1 delegate for every 25 members or the majority thereof. The Club and District Present and Past Officers do not become an automatic delegate from their club.

Delegate forms will need to be filled out and submitted online. More information to follow.

Proposed Resolutions for the 2021 - Montreal International Convention

1. Election of Officers

As mentioned earlier, the elections of Officers and International Directors will be conducted electronically. This convention you will be voting for the President and Second Vice President of the **Association along with five Directors for Constitutional Area**

1. Information will be following as to the virtual election procedures.

2. Annual Dues Adjustment

The proposed resolution is:

Effective July 1, 2022 the semi-annual dues from \$21.50 to \$23.00 for a total of \$46.00 per year instead of \$43.00 per year (\$3.00 increase). Effective July 1, 2023, LCI dues will increase to \$24.00 semi-annually or \$48.00 per year. Effective July 1, 2024, LCI dues will increase to \$25.00 semiannually or \$50.00 per year.

This is a \$7.00 increase over three years with no planned concurrent escalator after that.

Lions Clubs International Foundation

The Foundation has been able to award grants for COVID-19 Emergency Grants as well as the grants that are commonly available to the district. Campaign 100 is slowly advancing to our goal of \$300M by June 30, 2022. As of Friday, February 19, 2021, the campaign has reached \$191.5M or 63.8%.

I would like to thank IPDG Joni McMillan for her initiative a virtual fund raiser known as "Let us Make a Difference". Through this event Districts are able to participate and the proceeds are going to Campaign 100. Thank you!

District and Multiple District Conventions

Just a reminder that if you have changed your convention from an in person to a virtual convention or you have completely changed the date, please get with your International Speaker so they are

aware of the change. A number of other Districts have done this and not contacted the speaker to see if he or she is available to participate in their convention. Personally, I have had this happen and there are a couple of other Directors that have had the same experience. If you need any help, please contact me. Right now, I am in daily conversation with the other directors in rescheduling our visits.

I have confirmed that PIP Clem Kusiak will be participating at the MD1 State Convention this May. Once again he is looking forward to being with the Lions in Illinois. Brenda and I will be unable to participate, since I have an in person visit in California that weekend. I am confident that the convention will be a success for our Multiple.

These decisions to change the format in a convention is not easy but must be made by the District Leaders.

The same holds true for our clubs. Many of them may not be meeting or staying in contact with their members. I am afraid that when the

time comes, they will have a hard time restarting. I ask that our District Leaders, especially the Region and Zone Chairs reach out and talk to those clubs. Encourage them to prepare for that restart and make sure that their members' needs are taken care of. It is time to serve those – our members so they are there to help those in need of our service – the community.

So, continue the great work that can be done under these conditions. Congratulations to the New Clubs that have been chartered during the re-start. This is a great start for our Multiple and I hope that this will encourage others to see what can be accomplished in the last 6 months. Hopefully 6 more? Just think, how great it would be if the State could be even or maybe plus one for this year.

One day we will have a great celebration in person and look back on what was learned and what was accomplished over the months of this pandemic. Stay safe and healthy.....

**-Lion Bob Block,
International Director**

International Convention:

Due to the continuing concerns about the coronavirus (COVID-19) pandemic, the board of directors voted to transition the 2021 Montreal Lions Clubs International Convention to a virtual event that will be delivered totally online. This decision was made with the health and safety of our Lions, staff and vendors in mind as limiting international travel and large gatherings is key to global containment strategies.

Although we are disappointed that we will not be able to host this event in person, we are excited about hosting our first virtual international convention that can safely connect Lions from around the world. We are still finalizing the details of your new convention experience and will share those with you as soon as they are ready.

Here are some important details about the 2021 virtual convention we would like to share with you:

Everyone is invited – Our 2021 convention will be a virtual event that is open to all Lions and Leos around the world.

Registration fees – The registration fee will be US\$50 until March 31, then US\$75 beginning April 1. The registration fee for Leos will be US\$30 regardless of date. Convention is currently scheduled for June 25-29. Additional event and registration details will be provided soon.

Current registrants – Lions who are currently registered for convention will receive an email soon with more information about their registration options.

Elections – Executive officer and international director elections will be conducted electronically and voting procedures will be forthcoming.

Convention updates – Check our convention website LCIcon for convention updates and details as they become available.

This global health pandemic has forced us all to make decisions and changes that place health and safety first. However, we are optimistic that with each new day there is hope, and as Lions, we continue to find new ways to stay connected, safely serve our communities and

continue our global mission of service.

We appreciate your understanding during this challenging time for our organization and the world and thank you for your incredible service as a Lion.

Regards,

Dr. Jung-Yul Choi
International President

The Lions of Illinois financial statements

The Lions of Illinois financial statements for the Lions year ending on June 30, 2020 have been audited by accounting firm SIKICH in Springfield, IL and a synopsis of our financial situation from that audit is shown within this magazine.

It is the opinion of the auditing firm, the financial statements referred to present fairly, in all material respects, the financial position of

Lions of Illinois, Inc. as of June 30, 2020, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

One item to note not shown in the financials is our commitment for an operating lease for the Lions of Illinois State Office.

The Lions office is leased under an operating lease that requires monthly payments of \$500 through July 2024. Rent expense for the years ended June 30, 2020 and 2019 was \$6,000 and \$0, respectively. Future minimum rental payments under the terms of this lease are as follows as of June 30: 2021 \$6,000 /

2022 \$6,000 / 2023 \$6,000 / 2024 \$6,000 / 2025 \$500 / for a total of \$24,500

The Finance Committee has reviewed this audit as has the Council of Governors and both agree with its contents.

THE NEW NORM? AN INSIGHT.

By Lion Larry McGuire

Ah yes. I, like you, cannot wait for COVID-19 and its mutating variants to leave this planet and we can all return to our once normal daily routines. We miss having actual face-to-face meetings. We miss being involved in our club activities. We miss serving others. We miss our fundraisers and mingling with the public. We miss our district, state and International conventions where once we conducted business, elected officers, and socialized.

Yet when we speak of returning to normal, we often hear that phrase followed with the "The new normal." What is the new normal these people speak of? Does this mean we will never personally socialize? Does this mean there will never be another hospitality room at a convention? Does this mean we will forever wear facemasks and socially distance?

Lions members are a social group. We like to meet and talk with each other. We like to tell a joke and laugh. We like breaking bread with each other. We like to do good within our communities. We like to... Well, the list could grow exponentially.

We may now be experiencing a foretaste of the new normal. Businesses are already defining a part of the new norm and their way of doing business may well become our (Lions Clubs) way of doing business.

The possibility of holding our conventions in person may return. But working from home could become the new norm. For us it could be having committee meetings via Zoom, GoToMeeting, etc. Already your Lions of Illinois Global Leadership and Global Membership

Teams are virtually meeting. This gives us all a vehicle to share ideas immediately and virtually face-to-face.

Presently many governors' cabinets are meeting virtually. That may or may not stay. In districts that are geographically large, E.G.: District 1-CS and 1-M, could stay virtual to cut down on travel and expenses. The same idea could apply to regional and zone meetings. If a statewide or districtwide standing or ad hoc committee is required to meet, it is possible a virtual meeting will work. Again, saving travel and expenses.

Will the council of governors become permanently virtual? I doubt so. Like Lions Clubs International's directors' meetings, there are some aspects that require face-to-face gatherings. Yet, just as mentioned above, individual committees could meet virtually saving an expense and travel.

If your governor needs to speak with you and mileage and time separate you, a virtual meeting could suffice. This writer's opinion is that virtual is better than telephonic as you are able to see each other and see facial reactions.

So, this is a possibility of what the so-called new norm will look like. But the new norm has not arrived and is yet to be experienced. Thus, this could all change. The new norm could come to face-to-face gatherings with social parameters in place.

What do you think the new norm will be? For one thing, you will have to come to embrace technology.

Tootsie Pop Day

CLUB UPDATE

Greetings Lions,

Like all of our Fundraisers, we have a date we post to assist with advertising, May 1st and May 2nd was scheduled for Tootsie Pop Day.

A club can choose to hold their event at a time that is best for their club and their communities. This is such an ill-defined time and we are unsure of when we will be back to our regular schedules, so your dates may vary.

We have shipped out Tootsie Pops and related materials to several clubs already. They will make the decision as to when the event will take place.

We will continue to ship out Candy and related Materials when a club indicates that those items are needed.

Please let Dianne Ortega dortega@lifnd.org know if any items are needed and we will ship them out immediately. Forms can be found on our website

www.LionsOfIllinoisFoundation.org

We are still able to receive mail and ship out your Candy and Materials through UPS.

Thank you for your patience,
we are here to support you. Stay Safe.

Thank You for All That You Do!

*Trish Fisher
Executive Director*

Our three newest **Bradley Lions** were sworn in last night by PDG Steve La Gesse. Left to right, Sponsor Lion Joe Marek, new Lion Jolene Wilkins, sponsor Lion Faye Marek, new Lion Debbie Stark, new Lion Angie Crane, and her sponsor Lion Lorna Page.

The Highland Lions typically name their Lion of the Year at their installation and awards banquet in June. 2020, need we say, was an unusual year and we did not hold our awards banquet. At our Lions

Membership meeting on February 9, 2021, Immediate past President and Lion of the Year for 2018– 2019 Gary Kreutzberg presented the Lion of the Year Plaque to Lion Tom Mannion. Tom has been a member since 1997. He can always be counted on to work a shift on club projects. For the last five years he has been the chairman of Candy Day, the largest fundraiser for the Lions of Illinois Foundation. Tom is 1st vice president and has served on the Board of Directors.
