Late one night, a preacher was driving on a country road and had a wreck. A farmer stopped and said, "Sir, are you okay?" The preacher said, "Yes, I had the Lord riding with me." The farmer said, "Well, you better let him ride with me, because you're gonna kill him."

A husband and wife were driving through Louisiana. As they approached Natchitoches, they started arguing about the pronunciation of the town. They argued back and forth, then they stopped for lunch. At the counter, the husband asked the blonde waitress, "Before we order, could you please settle an argument for us? Would you please pronounce where we are very slowly?" She leaned over the counter and said, "Burr-r-gerrr Kiing."
