

# Back 2 School

## Focused Conversation Template

---

RA: Get students thinking about the new school year.

EA: Students feel excited, confident and hopeful about the new school year

O - What word comes to mind when you think about school?

R - What are you excited for this year?

R - What are you nervous about?

I - What would make this school year great?

I - What do you need to feel prepared for this year?

D - What is one goal you have for this year?
