

Quality Improvement Reboot: New Beginnings and Innovation in WV Health Centers

July 17, 2018 | 9:00 AM - 4:00 PM

Stonewall Resort | 940 Resort Drive | Roanoke, WV 26447

\$125
per person

Please join the West Virginia Primary Care Association (WVPCA) for a full-day Process and Quality Improvement Workshop at Stonewall Resort. During the workshop, participants will have the opportunity to utilize the Model for Improvement to discuss process and quality improvement challenges facing West Virginia's Community Health Centers.

Participants will be introduced to new quality and process improvement concepts that will assist you in developing and implementing rapid-cycle change in your health center. The WVPCA is excited to have Jennifer Calohan, RN, TQMP as our main presenter. Jennifer brings with her more than 20 years of hands-on experience in direct

patient care and administration at the health center and network level, leading change management, program development, process improvement and team-based outcomes achievement. In addition to holding an active license as a Registered Nurse in 25 states, she holds certification in Strategic Organizational Leadership and is a certified Total Quality Management Professional and LEAN/Six Sigma Green Belt.

You will be joined by your peers from health centers across West Virginia and have the opportunity to learn about two innovative approaches to Diabetes and Hypertension care and management.

Objectives:

- 1 Complete the workshop with a sense of renewal (reboot) and passion for process improvement work in your health center
- 2 Understand Data Validation and why it is important to perform before meaningful change can take place
- 3 Map out what a high-performing care team means to you and how to build it within your organization
- 4 Have the ability to define Care Management and Care Coordination and know the difference between them
- 5 Learn about 2 Innovative approaches available to improve Diabetes and Hypertension outcomes in your patient population

Presenters:

Jennifer Calohan, RN, TQMP - Process Improvement, Data Validation and Best Practices with Workflow, Care Team Management and Engagement, Care Management and Care Coordination

Adam Baus, MPH, WVU Office of Health Services Research - 5 Uniform Data System Clinical Quality Measures in WV Health Centers

Johnna Beane, RN, American Heart Association - Target: BP Quality Improvement Program

Terrance Hamm, KEPRO - The Medicaid Diabetic Health Home Program
