### Sleep & Suicide: Relationships & Opportunities for Intervention

#### Wilfred R. Pigeon, PhD

Associate Professor of Psychiatry,  
Director of the Sleep & Neurophysiology Research Lab,  
University of Rochester Medical Center  
Director, VA Center of Excellence for Suicide Prevention (NY)  
Affiliate Researcher, VA Center for Integrated Healthcare (NY)

### Now Available Online

---

#### How to participate in the **ASYNCHRONOUS** webinar:

1. Go to the webinar series landing page:  
<http://publichealth.hsc.wvu.edu/icrc/education/webinar-series/>
2. Select the webinar you wish to view from the navigation panel. This one is 'Sleep & Suicide Webinar.'
3. Click on the first button on the webpage to complete the pre-webinar survey.
4. After completing the pre-webinar survey, press the second button to view the webinar (~ 40 minutes in length).
5. After viewing the webinar, press the last button to complete the post-webinar survey.
6. Question for our speaker? Post it on Twitter or Facebook using #askWVUICRC or email [ICRC\\_Outreach@hsc.wvu.edu](mailto:ICRC_Outreach@hsc.wvu.edu).
7. In early April 2018, watch for a video from Dr. Pigeon (on the webinar landing page and on social media) answering your questions.
