TARGET AUDIENCE

This activity is intended for a multidisciplinary audience including community-based infectious disease specialists and other human immunodeficiency virus (HIV) treaters, gastroenterology/hepatology clinicians, mental health specialists, substance abuse specialists, correctional health care professionals, public policy/public health officials, hepatitis C virus (HCV) and HIV advocacy groups, payers, and clinical office staff who are engaged in the care of patients with HIV and/or HCV.

EDUCATIONAL OBJECTIVES

After completing this activity, the participant should be better able to:

- Describe epidemiologic trends in HCV monoinfection and HIV/HCV coinfection within at-risk populations, including men who have sex with men (MSM), people who inject drugs (PWID), and incarcerated individuals
- Screen MSM, PWID, and incarcerated individuals for HCV and HIV infection
- Provide guideline-based treatment for HCV monoinfection and HIV/HCV coinfection
- Identify patient, provider, and health care system barriers to effective management of HCV monoinfection and HIV/HCV coinfection
- Implement strategies to overcome risk-cohort-specific challenges to the treatment of HCV monoinfection and HIV/HCV coinfection

Joint Accreditation Statement

In support of improving patient care, this activity has been planned and implemented by the Postgraduate Institute for Medicine and Integritas Communications. Postgraduate Institute for Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the health care team.

Physician Continuing Medical Education

The Postgraduate Institute for Medicine designates this live activity for a maximum of 5.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Continuing Pharmacy Education

Postgraduate Institute for Medicine designates this continuing education activity for 5.0 contact hours (0.50 CEUs) of the Accreditation Council for Pharmacy Education. (Universal Activity Number - JA4008162-9999-18-003-L01-P)

Continuing Nursing Education

The maximum number of hours awarded for this Continuing Nursing Education activity is 5.1 contact hours. Pharmacotherapy contact hours for Advanced Practice Registered Nurses to be determined. Social Workers and Case Manager credit will be applied for, but is not guaranteed at this time.

In collaboration with:

Jointly provided by Postgraduate Institute for Medicine and Integritas Communications.

This activity is supported by independent educational grants from Gilead Sciences, Inc., Merck & Co., Inc., and AbbVie Inc.
