Recipe	<p><u>Homemade Matzoh</u></p> <p>2 cups all-purpose flour</p> <p>1 teaspoon kosher salt</p> <p>1 tablespoon olive oil</p> <p>3/4 cup water</p> <p>Preheat oven to 500°F with a baking tray on the middle rack.</p> <p>In a large bowl, mix the flour, salt, oil and water together until a ball comes together. Divide the ball into 6 pieces.</p> <p>Roll each piece very, very thin.</p> <p>Use a fork to dock the dough (poke the fork prongs all over the rolled out dough), so it won't puff too much in the oven.</p> <p>Slide the dough on to the preheated baking tray ***BE VERY CAREFUL AS THE TRAY IS HOT*** and bake for about 2 minutes and then flip the dough to bake the other side.</p> <p>The matzoh will be golden and crisp when it is done. Let it cool on a rack.</p>
