

Dear Parents and Guardians,

If your child takes any scheduled or as needed medications, it is time to bring them into the clinic! Please use the attached link to sign-up for a time slot on August 20, 2020 to drop them off and fill out the necessary forms. This is great time to discuss any concerns you have regarding your student's health.

**Asthmatics/Reactive Airway Disease:**

Due to the coronavirus, the CDC and American Lung Association recommend *not* using nebulizers during this time to limit the spread of the virus into the air. Great Hearts Lakeside will be a **NEBULIZER-FREE** campus until further notice. Doctors' offices get very busy at the start of the school year, so please reach out to them now. You will need to request:

- An updated written Asthma Action Plan
- A quick-relief inhaler dedicated for school use only
- A spacer or valved holding chamber dedicated for school use only
- A peak flow meter dedicated for school use

Please take time to look over the *Great Hearts Medication Policy*. If you have any questions, please do not hesitate to email me. I look forward to meeting you and your children very soon!

Haley Tucker, BSN, RN | School Nurse

Great Hearts Lakeside | 7633 Harris Parkway, Fort Worth, TX 76123
