300 East Wheatland Road
Duncanville, Texas 75116 USA

Dear Friend,

We need your financial assistance.

In 1998 the Duncanville City Council passed a resolution supporting a sister city relationship with Monasterolo di Savigliano, located in Northwest Italy in the Piedemonte region (foot of the alps). Citizens of both communities have enjoyed a close relationship. On March 21, 2017 the City Council created the Duncanville Sister City Commission to oversee this 27-year-old relationship. To further enhance this partnership the City of Duncanville joined Sister Cities International in 2024.

A group of our Texas delegates visited Monasterolo in June 2023. We were royally hosted by local citizens and participated in regional, cultural, economic and civic tours. Duncanville is hosting 20-25 delegates from Italy October 2025. We need funding for this 10-day event.

You have been a pillar of the Community for many years and we invite you to be one of our Sponsors. You will be recognized on all printed material and receive benefits according to your level of support.

There has been great community building. We are looking at continued promotion of Duncanville globally enriching the community through friendship, international education, cultural exchange and commerce with Monasterolo de Savigliano region and promoting a lifetime of friendship from one generation to the next.

Your company's financial and civic support will help us meet our goals for continual support of this program and enhance the growth and future development of the Sister City relationship. We thank you in advance for your generosity. Your involvement is crucial to our success. We look to a lasting friendship with you.

Blessings and Best Regards,
