Dear Lower School Parents:

I would like to take this opportunity to thank the faculty, staff, parents and students who have made my transition to Valwood School a wonderful experience. It does not take one long to realize that this school is like a large family. Everyone is so friendly and willing to assist in any way they can. I cannot express how grateful I am to be a part of this awesome school. It is also hard to believe that we have been in school for a month now. Time flies when you are having fun. I look forward to getting to know all of our lower school students and families throughout the school year.
