 - UC Truncated A# and Initials.
 - Include whether the 14-day visit occurred and report has been submitted, then see below for next steps.
 - If yes, and it is within 30 days: we will use the 14-day report as the assessment tool.
 - If yes, and it is past 30 days: You will need to use the new USCCB Assessment Tool.
 - If no: You will need to use the new USCCB Assessment Tool.

The USCCB PRS Level 1 Assessment tool will be sent out to the network today 4/12/2023.

- PRS caseworker conduct 3 virtual check-ins with released child.
 - Check-ins occur at 7 business days, 14 business days, and 30 business days after release or from the date a child is designated to receive Level One (1) PRS (This process starts from the day the case is leveled down to L1).
- Please monitor the case closely and make sure that if the case does escalate to let your CSS know asap so that we can level the case back up to level 2 should we need to provide more hands-on case support.
- A Case Closure Report will be due 30 days from when the case is leveled down to L1.
