USCCB/MRS Program Updates

Post Release Reports

- Using the Home Visit Questionnaire**
 - This is to be used more of a guide for home visit as well as what follow up questions can be asked during the required phone calls
- Service Periods and Case Closures**
 - Each report should include and summarize visits, phone calls and services that were completed during that services period
 - Case closure reports should include a summary of all services, visits, phone calls, etc. that were completed from the initial start of post release services, even if your agency was not the agency to initiate post release services.

Discussion – Digital Case Files

Due to the pandemic, a lot of programs had to go digital which includes creating digital case files.

What guidance, recommendations, or best practices can you share with others that have helped your agency with organizing and creating digital files?
